Summary

This annual report lists each vetoed act from the year's regular and special legislative sessions. It traditionally provides a summary of and final vote tally for each vetoed act, as well as excerpts from the governor's veto message.

Governor Lamont did not veto any acts passed during the 2020 regular session or July and September special sessions. [The Governor signed](#) the one act passed during the regular session and the 13 passed during the special sessions. (The regular session commenced February 5 and, due to COVID-19 health concerns, was effectively suspended from March 12 until it was adjourned sine die on May 6.)

OLR Report [2019-R-0155](#) provides an overview of the 2019 vetoed acts.
