
OLR Bill Analysis

sHB 6407 (as amended by House "A")

AN ACT REQUIRING EMPLOYERS TO DISPLAY A POSTER CONTAINING INFORMATION ON VETERANS' BENEFITS AND SERVICES.

SUMMARY

This bill requires the Department of Labor (DOL) commissioner and the Office of Manufacturing's chief manufacturing officer, in consultation with the veterans affairs commissioner and within available appropriations, to post on their departments' websites, in a way employers can download, information about benefits and services for veterans. The bill allows employers to display this information in a conspicuous place accessible to employees in their places of business.

*House Amendment "A" (1) requires the chief manufacturing officer, in addition to the DOL commissioner, to post information about veterans' benefits and services on the department's website; (2) removes the requirement for the DOL commissioner to create a model poster; and (3) allows, rather than requires, employers to post the information in their businesses.
