## **Explanation**

The bill, which requires the copies of recordings or transcription of certain records be provided at the cost of the requesting party, results in a potential minimal cost to the state and municipalities to the extent they are the requesting party, or they bear some burden of the costs of providing the transcription. The bill presumes the availability of a stenographer and establishes a rate (\$2.40 per transcript page) which may be charged for transcriptions. It is uncertain whether this rate would be sufficient to cover the transcription costs of all requested records.

## **The Out Years**

The annualized ongoing fiscal impact identified above would continue into the future.

**OLR Bill Analysis****HB 7220*****AN ACT CONCERNING THE COSTS TO OBTAIN TRANSCRIPTS  
FOR PROCEEDINGS CONDUCTED BEFORE PUBLIC AGENCIES.*****SUMMARY**

This bill (1) requires that a recording or stenographic record of proceedings before a public agency be transcribed if a party requests it and (2) assigns the cost of any copy or transcript of the recording or record against the requesting party. Under the bill, a transcript consists of a public agency proceeding's official written record, or a part of it, a stenographer produces, including things like testimony and counsel arguments. Public agencies are state, municipal, regional, or quasi-public agencies or persons or entities deemed to be their functional equivalents (CGS § 1-200).

The bill allows a stenographer to charge a party a one-time \$2.40 rate for each transcript page the party requests and stenographer transcribes from the official proceeding record before a public agency. It prescribes what constitutes a transcript page (i.e. 27 double-spaced lines on 8.5 by 11-inch paper, with 60 spaces per line), which can be on paper or stored in an electronic form.

Under the bill, the public agency that requests the transcript is responsible for its costs. The bill prohibits it from charging or otherwise seeking reimbursement for it from another party to the proceeding.
