OFA Fiscal Note

Explanation

The bill, which requires certain disclosures of employers in their public and internal job postings as well to prospective employees, does not result in any fiscal impact to the state or municipalities.

The bill allows employees or prospective employees to bring cases to the court if they believe the employer is in violation of the provisions of this bill. This does not result in any fiscal impact to the state or municipalities. The court system disposes of over 250,000 cases annually and the number of cases is not anticipated to be great enough to need additional resources.
