Explanation

The bill, which makes various changes affecting state marshals and service of process, results in the following fiscal impacts:

Section 8 requires the State Marshal Commission to perform audits related to complaints made against state marshals which results in a cost of \$40,000 in FY 26 and FY 27.

Section 10 expands information sharing between state marshals and the Department of Motor Vehicles (DMV) and allows DMV to charge a fee for such service. To the extent that DMV charges a fee, this section results in a potential revenue gain from fees.

The bill makes other changes related to state marshals which result in no fiscal impact to the state or municipalities.
