OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 26 \$	FY 27 \$
Resources of the General Fund	GF - Potential Revenue Loss	Minimal	Minimal

Note: GF=General Fund

Municipal Impact: None

Explanation

The bill expands the circumstances when the court must vacate an order forfeiting a bond which results in a potential revenue loss to the General Fund to the extent that fewer bonds are forfeited to the General Fund.

The bill makes other procedural changes affecting professional bail bondsmen and surety bail bond or bail enforcement agents, which result in no fiscal impact to the state as these changes generally affect private entities.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to the number of bonds are forfeited to the General Fund.
