sSB-1440

AN ACT CONCERNING UNLAWFUL DISSEMINATION OF AN  
INTIMATE SYNTHETICALLY CREATED IMAGE.

## ***OFA Fiscal Note***

### ***State Impact:***

Agency Affected	Fund-Effect	FY 26 \$	FY 27 \$
Judicial Dept. (Probation); Correction, Dept.	GF - Potential Cost	Minimal	Minimal
Resources of the General Fund	GF - Potential Revenue Gain	Minimal	Minimal

Note: GF=General Fund

***Municipal Impact:*** None

### ***Explanation***

The bill creates various crimes ranging from a class D misdemeanor to a class D felony related to dissemination of an intimate synthetically created image, which results in a potential cost to the Department of Correction and the Judicial Department for incarceration or probation and a potential revenue gain to the General Fund from fines. On average, the marginal cost to the state for incarcerating an offender for the year is \$3,300<sup>1</sup> while the average marginal cost for supervision in the community is less than \$600<sup>2</sup> each year for adults and \$450 each year for juveniles.

---

<sup>1</sup> Inmate marginal cost is based on increased consumables (e.g., food, clothing, water, sewage, living supplies, etc.) This does not include a change in staffing costs or utility expenses because these costs would only be realized if a new unit or facility opened.

<sup>2</sup> Probation marginal cost is based on services provided by private providers and only includes costs that increase with each additional participant. This does not include a cost for additional supervision by a probation officer unless a new offense is anticipated to result in enough additional offenders to require additional probation officers.

***The Out Years***

The annualized ongoing fiscal impact identified above would continue into the future subject to the actual number of violations.
