REASONS FOR BILL:

There has been a growing demand to hold government accountable and increase transparency. Currently state agencies, task forces, commission, and committees are not required to publish any reports required by the general assembly to their webpage. This bill would seek to require the governmental organization to publish the report to their website to increase public transparency.

RESPONSE FROM ADMINISTRATION/AGENCY:

State of Connecticut Judicial Branch:

We take no position on the policies in the bill but would request a definition for "state agency" to be added to the bill for clarification.

NATURE AND SOURCES OF SUPPORT:

None Expressed.

NATURE AND SOURCES OF OPPOSITION:
