### CORRECTION

To Fiscal Note on LCO No. 10040  
sHB-7090, File No. 513

AN ACT CONCERNING THE TIMING AND SCOPE OF AUDITS BY  
THE AUDITORS OF PUBLIC ACCOUNTS.

---

The fiscal note for the amendment incorrectly stated that this is a potential cost for the Auditors of Public Accounts (APA). The APA has the existing resources and expertise to meet the requirements of the amendment, and the amendment results in no fiscal impact to the state.
