

General Assembly

January Session, 2025

Proposed Bill No. 5199

LCO No. 1480

Referred to Committee on PUBLIC HEALTH

Introduced by:
REP. NUCCIO, 53rd Dist.

***AN ACT CONCERNING THE TERMINATION OF INPATIENT OR
OUTPATIENT SERVICES OFFERED BY A HOSPITAL.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 That chapter 638z of the general statutes be amended to (1) require a
2 hospital to demonstrate, with clear and convincing evidence, to the
3 Office of Health Strategy in conjunction with an application for a
4 certificate of need for the termination of any inpatient or outpatient
5 services that such termination would not decrease health care
6 accessibility or affordability in the affected area, (2) require the Office of
7 Health Strategy to notify the joint standing committee of the General
8 Assembly having cognizance of matters relating to public health
9 regarding a hospital's appeal of a decision of said office denying an
10 application for a certificate of need for the termination of any inpatient
11 or outpatient services, and (3) prohibit the overturning of a decision by
12 the Office of Health Strategy denying a hospital's application for a
13 certificate of need for the termination of inpatient or outpatient services
14 absent any new information that was otherwise unavailable at the time
15 said office rendered its decision denying such application.

Statement of Purpose:

To (1) prohibit the termination of inpatient or outpatient services provided by a hospital without clear and convincing evidence that such termination would not decrease health care accessibility or affordability in the affected area, (2) require the notification of the joint standing committee of the General Assembly having cognizance of matters relating to public health regarding the need for termination of any inpatient or outpatient services offered by a hospital, and (3) prohibit the overturning of a decision made by the Office of Health Strategy denying an application for a certificate of need for termination of inpatient or outpatient services offered by a hospital absent new evidence.
