

General Assembly

January Session, 2025

Raised Bill No. 7017

LCO No. **4937**

Referred to Committee on ENERGY AND TECHNOLOGY

Introduced by: (ET)

AN ACT ESTABLISHING A TASK FORCE TO STUDY TRANSMISSION AND GRID-ENHANCING TECHNOLOGIES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (*Effective from passage*) (a) There is established a task force

2 to study transmission infrastructure in the state and the potential use of

3 grid-enhancing technologies, including, but not limited to, dynamic line

4 rating, advanced power flow control and topology optimization.

- 5 (b) The task force shall consist of the following members:
- 6 (1) One appointed by the speaker of the House of Representatives,
 7 who shall have expertise concerning currently existing electric
 8 transmission infrastructure in the state;
- 9 (2) One appointed by the president pro tempore of the Senate, who 10 shall have expertise in renewable energy;

(3) One appointed by the majority leader of the House of
Representatives, who shall have expertise in grid-enhancing
technologies;

(4) One appointed by the majority leader of the Senate, who shallhave expertise in the regional transmission system;

16 (5) One appointed by the minority leader of the House of 17 Representatives, who shall have expertise concerning technologies that 18 are currently used in the state's transmission system;

(6) One appointed by the minority leader of the Senate, who shall
have expertise concerning the environmental impact of updating or
replacing electric transmission infrastructure;

(7) The Commissioner of Energy and Environmental Protection, orthe commissioner's designee;

24 (8) The chairperson of the Public Utilities Regulatory Authority, or25 the chairperson's designee;

(9) A representative from an electric distribution company that has a
service area of eighteen or more cities and towns, who shall be
appointed by the chairpersons of the joint standing committee of the
General Assembly having cognizance of matters relating to energy and
technology; and

(10) A representative from an electric distribution company that has
a service area of not more than seventeen cities and towns, who shall be
appointed by the ranking members of the joint standing committee of
the General Assembly having cognizance of matters relating to energy
and technology.

36 (c) All initial appointments to the task force shall be made not later
37 than thirty days after the effective date of this section. Any vacancy shall
38 be filled by the appointing authority.

(d) The speaker of the House of Representatives and the president
pro tempore of the Senate shall select the chairpersons of the task force
from among the members of the task force. Such chairpersons shall
schedule the first meeting of the task force, which shall be held not later

43 than sixty days after the effective date of this section.

(e) The administrative staff of the joint standing committee of the
General Assembly having cognizance of matters relating to energy and
technology shall serve as administrative staff of the task force.

(f) Not later than February 1, 2026, the task force shall submit a report
on its findings and recommendations to the joint standing committee of
the General Assembly having cognizance of matters relating to energy
and technology, in accordance with the provisions of section 11-4a of the
general statutes. The task force shall terminate on the date that it
submits such report or February 1, 2026, whichever is later.

This act shall take effect as follows and shall amend the following sections:

Statement of Purpose:

To create a task force to study transmission and grid-enhancing technologies.
