

General Assembly

January Session, 2025

Proposed Bill No. 286

LCO No. 33

Referred to Committee on TRANSPORTATION

Introduced by:
SEN. SOMERS, 18th Dist.

AN ACT CONCERNING ELECTRIC CAR BATTERIES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That chapter 246 of the general statutes be amended to require (1) the
- 2 manufacturer of an electric vehicle to label the electric vehicle with
- 3 information that (A) lists the components of each battery in the electric
- 4 vehicle, (B) identifies the country or countries of origin for each such
- 5 component, (C) provides the corresponding percentage for each such
- 6 component of each battery, and (D) specifies the number of miles the
- 7 electric vehicle must be operated to achieve carbon neutrality, and (2)
- 8 the car dealer of an electric vehicle to label the electric vehicle with an
- 9 estimation of the monthly cost of electricity to fully charge the electric
- 10 vehicle based upon the annualized average of the previous year's cost
- 11 of electricity wherein the car dealer is located.

Statement of Purpose:

To increase transparency by providing an individual who purchases an electric vehicle with information concerning each battery in the electric vehicle.
