***AN ACT CONCERNING THE REVITALIZATION AND
STRENGTHENING OF THE STATE'S HEALTH CARE SYSTEM TO
PROMOTE HEALTH CARE QUALITY AND AFFORDABILITY.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to (1) authorize association
- 2 health plans, (2) establish a working group to make recommendations
- 3 to overhaul health care statutes in pursuit of health care realignment,
- 4 including a new mandate review process, (3) eliminate all certificate of
- 5 need requirements for outpatient and inpatient expansion of services,
- 6 except for certificate of need requirements relating to (A) the expansion
- 7 of radiology equipment, (B) any outpatient or inpatient reduction or
- 8 elimination of services, and (C) hospital transfers of ownership, (4)
- 9 require public notices and public hearings as part of the certificate of
- 10 need application process, (5) require the Office of Health Strategy's
- 11 Health Systems Planning Unit to issue decisions on certificate of need
- 12 applications not later than one hundred twenty days after an application

13 is submitted to the unit, (6) establish checkpoints in the Insurance
14 Department's rate approval process, (7) require a study of insurance
15 companies' ability to provide tiered products, including a plan based on
16 the federal essential health benefits standard, and (8) evaluate the need
17 for a federal waiver to offer other tiered and catastrophic insurance
18 plans.

Statement of Purpose:

To create a sustainable, patient-centered health care system that improves outcomes for all state residents.
