

House Bill No. 7066

Public Act No. 25-1

AN ACT CONCERNING INTERACTIONS BETWEEN SCHOOL PERSONNEL AND IMMIGRATION AUTHORITIES, THE PURCHASE AND OPERATION OF CERTAIN DRONES, GRANTS TO CERTAIN NONPROFIT ORGANIZATIONS, AND STUDENT ATHLETE COMPENSATION THROUGH ENDORSEMENT CONTRACTS AND REVENUE SHARING AGREEMENTS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (NEW) (*Effective from passage*) (a) Not later than April 1, 2025, each (1) superintendent of schools for a school district, (2) regional educational service center, (3) governing authority for a state charter school, and (4) endowed or incorporated academy approved by the State Board of Education pursuant to section 10-34 of the general statutes, shall designate at least one administrator at each school in the school district or under the jurisdiction of the regional educational service center or governing authority of the state charter school, to serve as the individual responsible for interacting with a federal immigration authority, as defined in section 54-192h of the general statutes, who appears in person at the location of such school or otherwise contacts the school to request information. In the course of interacting with a federal immigration authority, the administrator shall implement the protocols of the school security and safety plan, developed pursuant to section 10-222m of the general statutes, as amended by this act, relating to interactions with a federal immigration authority.

House Bill No. 7066

(b) No local or regional board of education, regional educational service center, governing authority for a state charter school or endowed or incorporated academy shall discipline, suspend, terminate or otherwise punish an employee or an administrator designated pursuant to subsection (a) of this section for (1) implementing the protocols of the school security and safety plan relating to interactions with a federal immigration authority, or (2) taking any of the actions described in subparagraphs (B)(ii) and (B)(iii) of subdivision (2) of subsection (b) of section 10-222m of the general statutes, as amended by this act, during an interaction with a federal immigration authority.

Sec. 2. Section 10-222m of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

(a) For the school year commencing July 1, 2014, and each school year thereafter, each local and regional board of education shall develop and implement a school security and safety plan for each school under the jurisdiction of such board. Such plans shall be based on (1) the school security and safety plan standards developed by the Department of Emergency Services and Public Protection, pursuant to section 10-222n, and (2) on and after the effective date of this section, the Guidance to K-12 Public Schools Pertaining to Immigration Activities developed by the Department of Education on January 28, 2025. Each local and regional board of education shall annually review and update, if necessary, such plans.

(b) (1) For the school year commencing July 1, 2014, and each school year thereafter, each local and regional board of education shall establish a school security and safety committee at each school under the jurisdiction of such board. The school security and safety committee shall be responsible for assisting in the development of the school security and safety plan for the school and administering such plan. Such school security and safety committee shall consist of a local police officer, a local first responder, a teacher [and an administrator]

House Bill No. 7066

employed at the school, the administrator designated pursuant to section 1 of this act, a mental health professional, as defined in section 10-76t, a parent or guardian of a student enrolled in the school and any other person the board of education deems necessary. Any parent or guardian serving as a member of a school security and safety committee shall not have access to any information reported to such committee, pursuant to subparagraph (c) of subdivision (2) of subsection (c) of section 10-222k.

(2) For the school year commencing July 1, 2024, each local and regional board of education shall update the school security and safety plan for each school under the jurisdiction of such board to include protocols for interacting with a federal immigration authority, as defined in section 54-192h, who appears in person at a school under the jurisdiction of such board or otherwise contacts a school to request information. Such protocols shall (A) be based on the Guidance to K-12 Public Schools Pertaining to Immigration Activities developed by the Department of Education on January 28, 2025, and (B) include, at a minimum, (i) the designation of at least one administrator at each school to serve as the individual responsible for interacting with the federal immigration authority, pursuant to section 1 of this act, (ii) provisions that such administrator, or any other school employee, may (I) request and record a federal immigration authority's identification, including the name, badge or identification number, telephone number and business card of such federal immigration authority, (II) ask such federal immigration authority if such federal immigration authority is in possession of a judicial warrant to support such federal immigration authority's request and, if so, to produce such judicial warrant, (III) review any warrant or other materials that such federal immigration authority produces to determine who issued such warrant and what such warrant or other material authorizes such federal immigration authority to do, and (IV) consult with legal counsel for the school district, or guidance developed by such legal counsel, on how to interact

House Bill No. 7066

with such federal immigration authority with regards to the nature of the request, whether a warrant is produced, the details of any such warrant, whether such warrant is a judicial warrant or an administrative warrant, whether such federal immigration authority is claiming exigent circumstances, and any other consideration identified by such legal counsel, and (iii) permit other school personnel to direct such federal immigration authority who requests access to any records, information, the interior of the school building or other school personnel to communicate with the administrator designated to interact with such federal immigration authority.

(c) Each local and regional board of education shall annually submit the school security and safety plan for each school under the jurisdiction of such board, developed pursuant to subsection (a) of this section, to the Department of Emergency Services and Public Protection.

Sec. 3. Section 10-222m of the general statutes, as amended by section 63 of public act 23-167, is repealed and the following is substituted in lieu thereof (*Effective July 1, 2025*):

(a) For the school year commencing July 1, 2014, and each school year thereafter, each local and regional board of education shall develop and implement a school security and safety plan for each school under the jurisdiction of such board. Such plans shall be based on (1) the school security and safety plan standards developed by the Department of Emergency Services and Public Protection, pursuant to section 10-222n, and (2) on and after the effective date of this section, the Guidance to K-12 Public Schools Pertaining to Immigration Activities developed by the Department of Education on January 28, 2025. Each local and regional board of education shall annually review and update, if necessary, such plans.

(b) (1) For the school year commencing July 1, 2014, and each school year thereafter, each local and regional board of education shall

House Bill No. 7066

establish a school security and safety committee at each school under the jurisdiction of such board. The school security and safety committee shall be responsible for assisting in the development of the school security and safety plan for the school and administering such plan. Such school security and safety committee shall consist of a local police officer, a local first responder, a teacher [and an administrator] employed at the school, the administrator designated pursuant to section 1 of this act, a mental health professional, as defined in section 10-76t, a parent or guardian of a student enrolled in the school and any other person the board of education deems necessary. Any parent or guardian serving as a member of a school security and safety committee shall not have access to information reported to such committee that would result in a violation of the Family Educational Rights and Privacy Act of 1974, 20 USC 1232g, as amended from time to time.

(2) For the school year commencing July 1, 2024, each local and regional board of education shall update the school security and safety plan for each school under the jurisdiction of such board to include protocols for interacting with a federal immigration authority, as defined in section 54-192h, who appears in person at a school under the jurisdiction of such board or otherwise contacts a school to request information. Such protocols shall (A) be based on the Guidance to K-12 Public Schools Pertaining to Immigration Activities developed by the Department of Education on January 28, 2025, and (B) include, at a minimum, (i) the designation of at least one administrator at each school to serve as the individual responsible for interacting with the federal immigration authority, pursuant to section 1 of this act, (ii) provisions that such administrator, or any other school employee, may (I) request and record a federal immigration authority's identification, including the name, badge or identification number, telephone number and business card of such federal immigration authority, (II) ask such federal immigration authority if such federal immigration authority is in possession of a judicial warrant to support such federal immigration

House Bill No. 7066

authority's request and, if so, to produce such judicial warrant, (III) review any warrant or other materials that such federal immigration authority produces to determine who issued such warrant and what such warrant or other material authorizes such federal immigration authority to do, and (IV) consult with legal counsel for the school district, or guidance developed by such legal counsel, on how to interact with such federal immigration authority with regards to the nature of the request, whether a warrant is produced, the details of any such warrant, whether such warrant is a judicial warrant or an administrative warrant, whether such federal immigration authority is claiming exigent circumstances, and any other consideration identified by such legal counsel, and (iii) permit other school personnel to direct such federal immigration authority who requests access to any records, information, the interior of the school building or other school personnel to communicate with the administrator designated to interact with such federal immigration authority.

(c) Each local and regional board of education shall annually submit the school security and safety plan for each school under the jurisdiction of such board, developed pursuant to subsection (a) of this section, to the Department of Emergency Services and Public Protection.

Sec. 4. (*Effective from passage*) Not later than seven calendar days after the effective date of this section, the Commissioner of Education shall provide notice of the provisions of section 1 of this act and the amendments to section 10-222m of the general statutes, as amended by this act, to each (1) superintendent of schools for a school district, (2) regional educational service center, (3) governing authority for a state charter school, and (4) endowed or incorporated academy approved by the State Board of Education pursuant to section 10-34 of the general statutes.
