3 "Section 1. Section 14-15e of the general statutes is repealed and the
4 following is substituted in lieu thereof (*Effective January 1, 2026*):

5 (a) (1) Except as provided in subdivision (2) of this subsection, no
6 person, firm or corporation shall engage in the business of electronically
7 filing applications for the issuance of a certificate of registration or a
8 certificate of title for motor vehicles with the Department of Motor

9 Vehicles, unless such person, firm or corporation holds an electronic
10 issuance license issued by the Commissioner of Motor Vehicles.

11 (2) A motor vehicle dealer licensed in accordance with section 14-52
12 and acting pursuant to subsection (c) of section 14-12, subsection (b) of
13 section 14-61 or section 14-61a, a person, firm or corporation engaging
14 in the business of leasing or renting motor vehicles [~~licensed~~] without
15 drivers in this state and acting pursuant to section 14-15 or a contractor
16 authorized pursuant to subsection (b) of section 14-41, may use the
17 department's electronic system for filing applications for the issuance of
18 a certificate of registration or certificate of title, as the case may be,
19 without obtaining an electronic issuance license. The commissioner
20 shall not issue an electronic issuance license to any such motor vehicle
21 dealer, person, firm or corporation or contractor.

22 (3) The Commissioner of Motor Vehicles may require any person,
23 firm or corporation that files, on average, five or more applications for
24 the issuance of a certificate of registration or a certificate of title for
25 motor vehicles each month with the Department of Motor Vehicles to
26 file such applications electronically and obtain an electronic issuance
27 license. Any such person, firm or corporation that fails or refuses to file
28 an application for such issuance electronically upon the request of the
29 commissioner shall pay a fee of twenty-five dollars to the commissioner
30 for each such application submitted.

31 (b) Each applicant for an electronic issuance license shall submit an
32 application containing such information as the [commissioner]
33 Commissioner of Motor Vehicles may require and pay a license fee in
34 the amount of two hundred fifty dollars. Each license may be renewed
35 biennially according to renewal schedules established by the
36 commissioner to effect staggered renewal of such licenses. If the
37 adoption of a staggered system results in the expiration of any license
38 more or less than two years from its issuance, the commissioner may
39 charge a prorated amount for such license fee. Not less than forty-five
40 days prior to the date of expiration of each such license, the
41 commissioner shall send or transmit to each licensee, in a manner

42 determined by the commissioner, an application for renewal. Any
43 licensee that has not filed the application for renewal accompanied by
44 the license fee of two hundred fifty dollars prior to the expiration date
45 of such license shall no longer be permitted to use the department's
46 electronic system for filing applications for the issuance of a certificate
47 of registration or certificate of title pursuant to section 14-15d, as
48 amended by this act. An application for renewal filed with the
49 commissioner after the date of expiration shall be accompanied by a late
50 fee of one hundred dollars. The commissioner shall not renew any
51 license under this section that has been expired for more than forty-five
52 days.

53 (c) Each applicant for, or holder of, an electronic issuance license shall
54 furnish surety bonds in the following amounts: (1) Twenty thousand
55 dollars conditioned upon the applicant or holder complying with the
56 provisions of any state or federal law or regulation relating to the
57 conduct of filing applications for the issuance of a certificate of
58 registration or certificate of title and provided as indemnity for any loss
59 sustained by any customer of such licensee by reason of the licensee's
60 failure to comply with such laws or regulations; (2) twenty thousand
61 dollars provided as security for any monetary loss suffered by the
62 department as a result of the loss, destruction or misuse of any number
63 plates assigned to such licensee by the department pursuant to
64 subsection (f) of this section; and (3) five thousand dollars provided as
65 security for any monetary loss suffered by the department due to such
66 licensee's failure to remit registration and title fees received pursuant to
67 section 14-15d, as amended by this act. The surety bond furnished
68 pursuant to subdivision (1) of this subsection shall be executed in the
69 name of the state of Connecticut for the benefit of any aggrieved
70 customer, but the penalty of the bond shall not be invoked except upon
71 order of the [commissioner] Commissioner of Motor Vehicles after a
72 hearing before the commissioner in accordance with the provisions of
73 chapter 54. The commissioner shall assess an administrative fee of two
74 hundred dollars against any electronic issuance licensee for failing to
75 provide proof of bond renewal or replacement on or before the date of

76 the expiration of the existing bond.

77 (d) The [commissioner] Commissioner of Motor Vehicles may, after
78 notice and an opportunity for a hearing pursuant to the provisions of
79 chapter 54, refuse to issue or renew a license to a person, firm or
80 corporation to engage in the business of electronically filing applications
81 for the issuance of a certificate of registration or certificate of title for
82 motor vehicles with the department (1) if [the applicant for, or holder
83 of, such a license, or an officer or major stockholder, if the applicant or
84 licensee is a firm or corporation,] any individual named in an
85 application for the issuance or renewal of such license has been found
86 liable in a civil action for, or has been convicted of, a violation of any
87 provision of law (A) pertaining to the business of electronic filing
88 applications for the issuance of a certificate of registration or certificate
89 of title, or (B) involving fraud, larceny, stalking, embezzlement, bribery
90 or deprivation or misappropriation of property, in the courts of the
91 United States or any state, or (2) for any reason the commissioner
92 reasonably deems necessary. Upon renewal of such license, a licensee
93 shall make full disclosure of any such civil judgment or conviction
94 under penalty of false statement. Each [applicant] individual named in

98 fingerprinted and] shall submit to fingerprint-based state and national
99 criminal history records checks [,] conducted in accordance with section
100 29-17a.

101 (e) The [commissioner] Commissioner of Motor Vehicles shall not
102 issue or renew an electronic issuance license unless the commissioner
103 determines (1) the issuance or renewal is likely to improve access to
104 services offered by the department or manage the number of
105 transactions conducted at the main office or branch office of the
106 department and will not compromise the integrity and security of the
107 department's electronic system, and (2) the applicant for such license is
108 capable of ensuring the adequate control and proper use of number

109 plates and other materials to be provided by the department pursuant
110 to subsection (f) of this section.

112 each electronic issuance licensee with an inventory of number plates and
113 other materials to be used solely for the registration of transactions
114 performed pursuant to the provisions of section 14-15d, as amended by
115 this act. Such licensee shall be responsible for all number plates assigned
116 to such licensee by the department.

117 (2) If a person, firm or corporation holds an electronic issuance license
118 that is no longer valid, or if an electronic issuance licensee is no longer
119 conducting its business, such person, firm or corporation or licensee
120 shall return to the [commissioner] Commissioner of Motor Vehicles, not
121 later than five business days after such license becoming invalid or the
122 termination of such business, (A) any number plates or other materials
123 supplied by the commissioner to enable such person, firm or
124 corporation or licensee to perform the registration of transactions
125 pursuant to section 14-15d, as amended by this act, and (B) any
126 applications for such transactions that were not acted upon or
127 completed by such person, firm or corporation or licensee when it was
128 conducting its business. A violation of any provision of this subdivision
129 shall be an infraction.

130 (g) No electronic issuance licensee shall (1) include the words
131 "Department of Motor Vehicles" or "DMV" or other indication of the
132 department in the name of the licensee's business, or (2) act in any
133 manner that misleads consumers to believe that such licensee represents
134 or is otherwise affiliated with the department.

135 (h) Except as provided in subdivision (2) of subsection (f) of this
136 section, the [commissioner] Commissioner of Motor Vehicles may, after
137 notice and an opportunity for a hearing pursuant to the provisions of
138 chapter 54, impose a civil penalty of not more than two thousand dollars

379 vehicle owned by such licensee shall be regarded as registered under
380 such general distinguishing number and mark. No licensee may be
381 issued more than three registrations under a general distinguishing
382 number and mark in a year, unless the licensee applies for an additional

389 vehicle, which document shall be carried in the motor vehicle. The
390 commissioner shall determine the form and contents of such document.
391 For the registration of each motor vehicle under a general distinguishing
392 number and mark, the commissioner shall charge a fee at the rate of

400 compliance with the provisions of all applicable provisions of title 22a
401 and all regulations adopted by the Commissioner of Energy and
402 Environmental Protection pursuant to the provisions of said title. Upon

404 Commissioner of Motor Vehicles shall notify the Commissioner of
405 Energy and Environmental Protection. The notification shall include a
406 statement of the location of the subject property and a legal description
407 thereof. Within forty-five days of receipt of such notification, the
408 Commissioner of Energy and Environmental Protection shall inform the
409 Commissioner of Motor Vehicles if there is any reason to believe that
410 the property that is proposed to be licensed is not in compliance with
411 the above referenced statutory and regulatory requirements. If the
412 Commissioner of Motor Vehicles is informed that there is any such
413 reason to believe that the subject location is not in compliance with such
414 requirements, said commissioner may (1) refuse to issue the license, or
415 (2) issue the license subject to such conditions, including, but not limited
416 to, the remediation of the conditions causing the suspected violation or
417 violations, as are acceptable to the Commissioner of Energy and
418 Environmental Protection.

For the purpose of standardization and uniformity, said office shall adopt and cause to be printed for publication regulations establishing a uniform system of traffic control signals, devices, signs and markings consistent with the provisions of this chapter for use upon the public highways. The Commissioner of Transportation shall make known to the General Assembly the availability of such regulations and any requesting member shall be sent a written copy or electronic storage media of such regulations by said commissioner. Taking into consideration the public safety and convenience with respect to the width and character of the highways and roads affected, the density of traffic thereon and the character of such traffic, said office shall also adopt regulations, in cooperation and agreement with local traffic authorities, governing the use of state

2416 such prohibition, the office, if it is not otherwise precluded from so
2417 acting, may impose such prohibition. Said office may place and
2418 maintain traffic control signals, signs, markings and other safety
2419 devices, which it deems to be in the interests of public safety, upon such

2628 act. Any administrative fees or late fees assessed and collected by the
2629 bureau pursuant to the provisions of this subdivision shall be deposited
2630 into the Judicial Data Processing Revolving Fund established in section

2631 51-5b.

2632 (3) Any such payment made under subdivision (1) of this subsection
2633 or agreement to enter into an installment payment plan made pursuant
2634 to subdivision (2) of this subsection shall be considered a plea of nolo
2635 contendere and shall be inadmissible in any proceeding, civil or
2636 criminal, to establish the conduct of the person, provided the provisions
2637 of this section and section 51-164m shall not affect the application of any
2638 administrative sanctions by either the Commissioner of Energy and
2639 Environmental Protection authorized under title 26 or the
2640 Commissioner of Motor Vehicles authorized under title 14, except that
2641 no points shall be assessed by the Commissioner of Motor Vehicles
2642 against the operator's license of such person for such infraction or
2643 violation.

2644 (4) The Judicial Department shall provide notice of the provisions of
2645 this subsection to law enforcement agencies and direct each law
2646 enforcement agency issuing a complaint to provide such notice to any
2647 person who is alleged to have committed a motor vehicle infraction or
2648 violation at the time a complaint alleging such conduct is issued to such
2649 person. On and after July 1, 2028, the Judicial Department shall publish
2650 information about the availability of installment payment plans for
2651 certain infractions and violations on the department's Internet web site.

2652 (d) If the person elects to plead not guilty, [he] such person shall send
2653 the plea of not guilty to the Centralized Infractions Bureau. The bureau
2654 shall send such plea and request for trial to the clerk of the geographical
2655 area where the trial is to be conducted. Such clerk shall advise such
2656 person of a date certain for a hearing.

2657 (e) A summons for the commission of an infraction or of a violation
2658 specified in subsection (b) of this section shall not be deemed to be an
2659 arrest and the commission of an infraction or of any such violation shall
2660 not be deemed to be an offense within the meaning of section 53a-24.

2661 (f) The provisions of this section shall apply to the alleged

2662 commission of an infraction or a violation specified in subsection (b) of
2663 this section by a minor but, in a case involving a minor, a parent or
2664 guardian shall sign any plea of nolo contendere or of not guilty on any
2665 summons form issued in connection with the matter.

2666 (g) If a person elects to plead not guilty and send the plea of not guilty
2667 to the Centralized Infractions Bureau in accordance with subsection (d)
2668 of this section, such person may subsequently, at a proceeding at
2669 Superior Court, reach an agreement with the prosecutorial official as to
2670 the amount of the fine to be paid and elect to pay such fine without
2671 appearing before a judicial authority. As a part of any such agreement,
2672 the prosecutorial official may require such person to attend a motor
2673 vehicle operator safety course that addresses the nature of such
2674 infraction or violation and that is offered or approved by the Chief
2675 State's Attorney. The amount of the fine agreed upon shall not exceed
2676 the amount of the fine established for such infraction or violation. Any
2677 person who pays a fine pursuant to this subsection shall also pay any
2678 additional fees or costs established for such infraction or violation. Such
2679 person shall make such payment to the clerk of the Superior Court and
2680 such payment shall be considered a plea of nolo contendere and shall be
2681 inadmissible in any proceeding, civil or criminal, to establish the
2682 conduct of such person, provided the provisions of this section and
2683 section 51-164m shall not affect the application of any administrative
2684 sanctions by either the Commissioner of Energy and Environmental
2685 Protection authorized under title 26 or the Commissioner of Motor
2686 Vehicles authorized under title 14. A plea of nolo contendere pursuant
2687 to this subsection does not have to be submitted in writing. Nothing in
2688 this subsection shall affect the right of a person who is alleged to have
2689 committed an infraction or any violation specified in subsection (b) of
2690 this section to plead not guilty and request a trial before a judicial
2691 authority.

2692 (h) In any trial for the alleged commission of an infraction, the
2693 practice, procedure, rules of evidence and burden of proof applicable in
2694 criminal proceedings shall apply. Any person found guilty at the trial or

2695 upon a plea shall be guilty of the commission of an infraction and shall
2696 be fined not less than thirty-five dollars or more than ninety dollars or,
2697 if the infraction is for a violation of any provision of title 14, not less than
2698 fifty dollars or more than ninety dollars.

2699 (i) In any trial for the alleged commission of a violation specified in
2700 subsection (b) of this section, the practice, procedure, rules of evidence
2701 and burden of proof applicable in criminal proceedings shall apply,
2702 except that in any trial for the alleged commission of a violation under
2703 subsection (a) of section 21a-279a, the burden of proof shall be by the
2704 preponderance of the evidence. Any person found guilty at the trial or
2705 upon a plea shall be guilty of the commission of a violation and shall be
2706 fined not more than the statutory amount applicable to such violation.

2707 Sec. 60. Section 14-140 of the general statutes is repealed and the
2708 following is substituted in lieu thereof (*Effective October 1, 2025*):

2709 (a) Any person who has been arrested by an officer for a violation of
2710 any provision of any statute relating to motor vehicles may be released,
2711 upon [his] such person's own recognizance, by such officer in [his] such
2712 officer's discretion, unless such violation is of a provision relating to
2713 driving while under the influence of intoxicating liquor or drugs or
2714 using a motor vehicle without permission of the owner or evading
2715 responsibility for personal injury or property damage or involves the
2716 death or serious injury of another, in which cases such person shall not
2717 be released on [his] such person's own recognizance.

2718 (b) (1) If any person so arrested or summoned wilfully fails to appear
2719 for any scheduled court appearance at the time and place assigned, or if
2720 any person charged with an infraction involving the use of a motor
2721 vehicle, or with a motor vehicle violation specified in section 51-164n, as
2722 amended by this act, wilfully fails to comply with remote events and
2723 deadlines set by the court for infractions and violations specified in
2724 section 51-164n, as amended by this act, or fails to pay the fine and any
2725 additional fee imposed, make timely payments in accordance with an
2726 installment payment plan entered into on or after July 1, 2028, or send

2727 in [his] such person's plea of not guilty by the answer date or wilfully
2728 fails to appear for any scheduled court appearance which may be
2729 required, or if any person fails to pay any surcharge imposed under
2730 section 13b-70, any fee imposed under section 51-56a or any cost
2731 imposed under section 54-143 or 54-143a, a report of such failure shall
2732 be sent to the commissioner by the court having jurisdiction.

2733 (2) Upon receipt of such report, the commissioner shall send a
2734 suspension notice to such person (A) informing such person that such
2735 person's motor vehicle operator's license will be suspended not later
2736 than sixty days after the date of such notice unless such person reopens
2737 judgment with the court having jurisdiction within such sixty-day
2738 period, and (B) providing instructions on how to file a motion to reopen
2739 and apply for a waiver of fees with the court having jurisdiction.

2740 (3) The provisions of this section shall be extended to any nonresident
2741 owner or operator of a motor vehicle residing in any state, the proper
2742 authorities of which agree with the commissioner to revoke, until
2743 personal appearance to answer the charge against [him, his] such
2744 person, such person's motor vehicle registration certificate or operator's
2745 license, upon [his] such person's failure to appear for any scheduled
2746 court appearance.

2747 (4) Any infractions or violations, for which a report of failure to
2748 appear has been sent to the commissioner under this subsection, that
2749 have not otherwise been disposed of shall be dismissed by operation of
2750 law seven years after such report was sent.

2751 (c) The commissioner may enter into reciprocal agreements with the
2752 proper authorities of other states, which agreements may include
2753 provisions for the suspension or revocation of licenses and registrations
2754 of residents and nonresidents who fail to appear for trial at the time and
2755 place assigned.

2756 (d) Any judgment under this section shall be opened upon the
2757 payment to the clerk of the Superior Court of a fee of forty dollars. Such

2758 filing fee may be waived by the court.

2759 (e) In addition, the provisions of subsection (b) of this section shall
2760 apply to sections 29-322, 29-349 and 29-351.

2761 Sec. 61. Subsection (c) of section 14-227b of the general statutes is
2762 repealed and the following is substituted in lieu thereof (*Effective July 1,*
2763 *2025*):

2764 (c) If the person arrested refuses to submit to such test or
2765 nontestimonial portion of a drug influence evaluation or submits to such
2766 test, commenced within two hours of the time of operation, and the
2767 results of such test indicate that such person has an elevated blood
2768 alcohol content, the police officer, acting on behalf of the Commissioner
2769 of Motor Vehicles, shall immediately revoke and take possession of the
2770 motor vehicle operator's license or, if such person is not licensed or is a
2771 nonresident, suspend the operating privilege of such person, for a
2772 twenty-four-hour period. The police officer shall prepare a report of the
2773 incident not later than six business days after such arrest and thereafter,
2774 shall mail or otherwise transmit in accordance with this subsection the
2775 report and a copy of the results of any chemical test to the Department
2776 of Motor Vehicles. [within six business days.] The report shall contain
2777 such information as prescribed by the Commissioner of Motor Vehicles
2778 and shall be subscribed and sworn to under penalty of false statement
2779 as provided in section 53a-157b by the arresting officer. If the person
2780 arrested refused to submit to such test or evaluation, the report shall be
2781 endorsed by a third person who witnessed such refusal. The report shall
2782 set forth the grounds for the officer's belief that there was probable cause
2783 to arrest such person for a violation of section 14-227a, as amended by
2784 this act, or 14-227m, as amended by this act, or subdivision (1) or (2) of
2785 subsection (a) of section 14-227n, as amended by this act, and shall state
2786 that such person had refused to submit to such test or evaluation when
2787 requested by such police officer to do so or that such person submitted
2788 to such test, commenced within two hours of the time of operation, and
2789 the results of such test indicated that such person had an elevated blood
2790 alcohol content. A drug influence evaluation need not be commenced

2791 within two hours of the time of operation. The Commissioner of Motor
2792 Vehicles may accept a police report under this subsection that is
2793 prepared and transmitted as an electronic record, including electronic
2794 signature or signatures, subject to such security procedures as the
2795 commissioner may specify and in accordance with the provisions of
2796 sections 1-266 to 1-286, inclusive. In any hearing conducted pursuant to
2797 the provisions of subsection (g) of this section, it shall not be a ground
2798 for objection to the admissibility of a police report that it is an electronic
2799 record prepared by electronic means.

2800 Sec. 62. Section 3 of substitute house bill 7162 of the current session,
2801 as amended by House Amendment Schedule "A", is amended by adding
2802 subsection (g) as follows (*Effective October 1, 2025*):

2803 (NEW) (g) The provisions of this section shall not apply to a parking
2804 facility that is located at a multifamily dwelling consisting of four or less
2805 units.

2806 Sec. 63. (NEW) (*Effective July 1, 2025*) (a) Notwithstanding the
2807 provisions of section 14-54 of the general statutes or subsection (a) of
2808 section 14-58 of the general statutes, as amended by this act, the
2809 Commissioner of Motor Vehicles may issue a new car dealer license to
2810 any person, firm or corporation who has been engaged in the business
2811 of merchandizing new electric low-speed vehicles under a
2812 manufacturer's or importer's contract for each such make of vehicle
2813 prior to July 1, 2025, and who may, incidental to such business, sell used
2814 electric low-speed vehicles and repair electric low-speed vehicles. Any
2815 such person, firm or corporation shall conduct such business in
2816 accordance with the provisions of section 14-52a of the general statutes,
2817 as amended by this act.

2818 (b) Any such person, firm or corporation shall apply for such new car
2819 dealer license on a form prescribed by the commissioner.
2820 Notwithstanding the provisions of subsection (a) of section 14-52 of the
2821 general statutes, the fee for the issuance or renewal of any such license
2822 shall be three hundred forty dollars. Each such license shall be renewed

2823 biennially. Not less than forty-five days prior to the date of expiration
2824 of each such license, the commissioner shall send or transmit to each
2825 licensee, in a manner determined by the commissioner, an application
2826 for renewal. Any licensee which has not filed the application for renewal
2827 accompanied by the prescribed fee prior to the date of expiration of its
2828 license shall cease to engage in business. An application for renewal
2829 filed with the commissioner after the date of expiration shall be
2830 accompanied by a late fee of one hundred dollars. The commissioner
2831 shall not renew any license under this subsection which has expired for
2832 more than forty-five days.

2833 (c) Notwithstanding the provisions of subsection (b) of section 14-52
2834 of the general statutes, each applicant for a license issued pursuant to
2835 the provisions of this section shall furnish a surety bond in the amount
2836 of twenty-five thousand dollars. Such bond shall be conditioned upon
2837 the applicant complying with the provisions of any state or federal law
2838 or regulation relating to the conduct of such business and provided as
2839 indemnity for any loss sustained by any customer by reason of any acts
2840 of the licensee constituting grounds for suspension or revocation of the
2841 license or such licensee going out of business. Each surety bond shall be
2842 executed in the name of the state of Connecticut for the benefit of any
2843 aggrieved customer, but the penalty of the bond shall not be invoked
2844 except upon order of the Commissioner of Motor Vehicles after a
2845 hearing held before said commissioner in accordance with the
2846 provisions of chapter 54 of the general statutes. For purposes of this
2847 subsection, "customer" does not include (1) any person, firm or
2848 corporation that finances a licensed dealer's motor vehicle inventory, or
2849 (2) any licensed dealer, in such person's capacity as a dealer, who buys
2850 motor vehicles from, or sells motor vehicles to, another licensed dealer.

2851 (d) If a change in the officers or directors of a corporation engaged in
2852 the business of merchandizing new electric low-speed vehicles occurs,
2853 such corporation shall file a notice of such change with the
2854 commissioner not later than fifteen days after the date of such change.
2855 The commissioner may, after notice and hearing in accordance with the

2856 provisions of chapter 54 of the general statutes, suspend the license of
 2857 any corporation if the commissioner finds the newly appointed or
 2858 elected officers or directors cannot be considered as qualified to conduct
 2859 the business in accordance with the requirements of section 14-52a of
 2860 the general statutes, as amended by this act.

2861 (e) Any license issued pursuant to the provisions of this section is not
 2862 transferable and shall be revoked by, and surrendered to, the
 2863 Commissioner of Motor Vehicles upon the sale, transfer or conveyance
 2864 of the licensee's business."
