sHB 6999

AN ACT REQUIRING A REPORT CONCERNING HEALTH CARE PLANS, RETIREMENT PLANS AND OTHER BENEFITS PROVIDED BY NONSTATE PUBLIC EMPLOYERS.

SUMMARY

This bill requires the comptroller to summarize and analyze information that nonstate public employers must give him about their health care plans under existing law (e.g., the number of employees covered under an employer-sponsored plan, the benefits and coverage provided under each plan, and information about retirement plans and benefits the employer offers). The comptroller must annually submit, beginning by January 1, 2026, his summary and analysis to the Office of Policy and Management secretary, Office of Fiscal Analysis, Planning and Development Committee, and each nonstate public employer.

Under existing law, unchanged by the bill, nonstate public employers must submit this information about their health care plans by October 1 each year.
