OLR Bill Analysis HB 7220

AN ACT CONCERNING THE COSTS TO OBTAIN TRANSCRIPTS FOR PROCEEDINGS CONDUCTED BEFORE PUBLIC AGENCIES.

SUMMARY

This bill (1) requires that a recording or stenographic record of proceedings before a public agency be transcribed if a party requests it and (2) assigns the cost of any copy or transcript of the recording or record against the requesting party. Under the bill, a transcript consists of a public agency proceeding's official written record, or a part of it, a stenographer produces, including things like testimony and counsel arguments. Public agencies are state, municipal, regional, or quasipublic agencies or persons or entities deemed to be their functional equivalents (CGS § 1-200).

The bill allows a stenographer to charge a party a one-time \$2.40 rate for each transcript page the party requests and stenographer transcribes from the official proceeding record before a public agency. It prescribes what constitutes a transcript page (i.e. 27 double-spaced lines on 8.5 by 11-inch paper, with 60 spaces per line), which can be on paper or stored in an electronic form.

Under the bill, the public agency that requests the transcript is responsible for its costs. The bill prohibits it from charging or otherwise seeking reimbursement for it from another party to the proceeding.
