

Bill History
Session Year 2025
Proposed H.B. No. 6709

[Proposed Bill](#)

Introducer(s):

REP. TRACY MARRA, 141st DIST.

Title: AN ACT REGULATING THE OPERATION OF GLOBAL POSITIONING SYSTEMS AND NAVIGATION APPLICATIONS IN THE STATE.

Statement of Purpose: To ease the burden on local roads by prohibiting global positioning systems and navigation applications from redirecting heavy motor vehicle traffic and provide information regarding height restrictions to prevent truck crashes.
