## ***AN ACT CONVEYING A PARCEL OF STATE LAND TO THE TOWN OF HAMDEN AND REPEALING A PRIOR CONVEYANCE.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1      Section 1. (*Effective from passage*) (a) Notwithstanding any provision  
2      of the general statutes, and except as provided in subsection (b) of this  
3      section, the Commissioner of Administrative Services, on behalf of the  
4      Commissioner of Children and Families, shall convey to the town of  
5      Hamden a parcel of land located in the town of Hamden, and any  
6      improvements on said parcel, for the sum of one million five hundred  
7      thousand dollars, plus the administrative costs of making such  
8      conveyance. Said parcel of land has an area of approximately 50.29 acres  
9      and contains the facility formerly known as High Meadows, located at  
10     825 Hartford Turnpike in the town of Hamden, and is described in a  
11     warranty deed dated January 15, 1951, and recorded in Volume 297 at  
12     pages 417 and 418 of the town of Hamden Land Records. The  
13     conveyance shall be subject to the approval of the State Properties  
14     Review Board.

15 (b) If the Commissioner of Administrative Services does not convey  
16 said parcel of land and improvements by June 30, 2026, the parcel and  
17 improvements shall not be conveyed under this section, except the town  
18 of Hamden may request, and the commissioner may agree, to extend  
19 said deadline for not more than an additional six months. If such  
20 extension is granted, the town of Hamden shall reimburse the state for  
21 its actual costs that are attributable to such extension.

22 (c) The State Properties Review Board shall complete its review of the  
23 conveyance of said parcel of land and improvements not later than  
24 thirty days after it receives a proposed agreement from the Department  
25 of Administrative Services. The land and improvements shall remain  
26 under the care and control of the state until a conveyance is made in  
27 accordance with the provisions of this section. The State Treasurer shall  
28 execute and deliver any deed or instrument necessary for a conveyance  
29 under this section. The Commissioner of Administrative Services shall  
30 have the sole responsibility for all other incidents of such conveyance.

## **Explanation**

The bill conveys a specified 50.29 acre parcel of land from the Department of Children and Families, via the Department of Administrative Services, to the town of Hamden. The state would lose use of an asset (most recently valued at \$8,400,000) and gain revenue of the specified purchase price (\$1,500,000). The town of Hamden would gain use of an asset and pay the purchase price plus administrative costs of the conveyance. The asset would revert to state control if not conveyed by June 30, 2026, or six months later if requested and agreed to.

The land conveyance is subject to the review and approval of the State Properties Review Board.

The bill also repeals a similar prior conveyance authorization, which

has no fiscal impact as the authorization expired per the terms of the conveyance.

***The Out Years***

The conveyance action is one time in nature. Control of the asset would continue into the future as described above, subject to future municipal decisions.
