See Fiscal Note Details

The amendment eliminates section 32 of the underlying bill as amended and its associated fiscal impact and replaces it with the following.

Section 32 allows actions and procedures to be transferred from a fair rent commission to the Superior Court. This is not anticipated to result in a fiscal impact to the state or municipalities.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
