The amendment eliminates section 2 and 3 of the underlying bill as amended by House "A" and House "B" and its associated fiscal impact.

Section 2 allows middle-housing developments on certain lots which may have resulted in a grand list increase or decrease.

Section 3 prevents development applications from being rejected by local planning or zoning commissions based on parking requirements. This impact will be dependent on if the applications would have otherwise been rejected.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
