AN ACT CONCERNING A REDUCTION OF SINGLE-USE PLASTICS
AND POLYSTYRENE WASTE.

AMENDMENT

LCO No.: 7510

File Copy No.: 679

House Calendar No.: 419

OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 26 \$	FY 27 \$
Various State Agencies	GF - Reduces Cost in Bill	None	None

Note: GF=General Fund

Municipal Impact:

Municipalities	Effect	FY 26 \$	FY 27 \$
Various Municipalities	Reduces Cost in Bill	None	None

Explanation

The amendment removes the word “cutlery” from the list of items that are specifically included in the definition of “single-use plastic” which are banned in the underlying bill beginning on July 1, 2027. This results in an uncertain impact to the cost indicated in the underlying bill since plastic cutlery may still be considered to fit the definition of “single-use plastic” and “foodware accessories.” There is a potential reduction in the costs identified in the underlying bill to the state, municipalities, and local and regional school districts associated with renegotiating various food service contracts to accommodate the ban.
