HB-6917

AN ACT CONCERNING THE MANAGEMENT OF SOLID WASTE
IN THE STATE.

AMENDMENT

LCO No.: 9930

File Copy No.: 884

House Calendar No.: 578

OFA Fiscal Note

Potentially Reduces or Eliminates Cost In Bill

The amendment exempts any school, business or food vendor that institutes a recycling program for polystyrene takeout containers, trays and cups from the provisions of section 1 of the underlying bill as amended. This potentially reduces the costs identified in the underlying bill as amended to the state, municipalities, and local school districts to the extent qualified recycling programs are adopted by schools and state and municipal vendors. To the extent all such entities adopt qualifying recycling programs this would eliminate the associated cost.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
