AN ACT CONCERNING CHILDREN'S BEHAVIORAL HEALTH
SERVICES.

AMENDMENT

LCO No.: 10037

File Copy No.: 860

House Calendar No.: 551

OFA Fiscal Note

See Fiscal Note Details

Sec. 502 allows the Transforming Children's Behavioral Health Policy and Planning Committee to contract with the Yale Child Study Center to determine if additional federal funding is available and to conduct a trial of the center to see if it may qualify as an evidence-based treatment program resulting in a potential cost to the Office of Legislative Management (OLM). If the committee decides to contract with Yale for these services, there is a potential cost to OLM of approximately \$200,000 to \$500,000 in FY 26. The exact cost is dependent on the services requested and the terms of the contract between Yale and the committee.

The amendment makes other technical, clarifying, and conforming changes that do not result in a fiscal impact.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
