OFA Fiscal Note

See Fiscal Note Details

The amendment adds to the list of items the Department of Social Services must consider when determining whether to approve or deny requests for additional nursing home beds. To the extent considering the Center for Medicare and Medicaid Services' (CMS) five-star quality rating system alters the decision DSS would have otherwise made, the agency could experience an impact, which cannot be determined at this time.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
