AN ACT CONCERNING COMMUNITY SOLAR ENERGY
GENERATING SYSTEMS.

AMENDMENT

LCO No.: 9977

File Copy No.: 560

House Calendar No.: 349

OFA Fiscal Note

No Fiscal Impact

The amendment requires the Public Utilities Regulatory Authority (PURA) to start a proceeding to establish a community solar energy generating pilot program, adopt regulations and conduct a study on the pilot program. This is not anticipated to result in an additional cost to PURA as they have the staff and resources necessary to complete the requirements contained within the amendment. The amendment makes other various changes to electric distribution companies that do not result in a cost to the state or municipalities.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
