## **OFA Fiscal Note**

### **No Fiscal Impact**

The amendment allows certain parties to bring a claim in Superior Court which does not result in a fiscal impact. The court system disposes of over 250,000 cases annually and the number of cases is not anticipated to be great enough to need additional resources.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
