See Fiscal Note Details

The amendment strikes section 2 of the underlying bill and the associated fiscal impact. Section 2 explicitly limits the liability of the state for making certain land available to the public for recreational purposes, which results in potential savings to the extent the limitation reduces costs associated with such cases.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
