The amendment adds a provision that requires the Labor Commissioner to yearly adjust the threshold amounts for public works projects subject to the prevailing wage based on the percentage change in the Consumer Price Index for All Urban Consumers (CPI-U)<sup>1</sup>. Any impact is dependent on what the final cost of the project would have otherwise been.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
