AN ACT INCREASING RESOURCES FOR STUDENTS, SCHOOLS
AND SPECIAL EDUCATION.

AMENDMENT

LCO No.: 9898

File Copy No.: 637

Senate Calendar No.: 341

OFA Fiscal Note

See Fiscal Note Details

The amendment eliminates Sections 42 to 44 of the underlying bill and their associated potential revenue changes to municipalities. The sections require municipal, and local and regional school district, libraries to develop certain maintenance, display, and review policies. Municipalities that do not comply are penalized with the loss of Library Incentive Grant funding, which is currently approximately \$1,400 per municipality. By eliminating these sections, the amendment eliminates the potential revenue loss that municipalities would incur if they do not comply with the provisions of such sections. The municipalities that do comply will experience a corresponding revenue gain.

The amendment has no fiscal impact to local and regional school districts as they do not receive Library Incentive Grants.
