See Fiscal Note Details

The amendment strikes sections 5 and 6 of the bill as amended and the associated fiscal impact related to municipal day camps.

The amendment results in a cost to the Office of Policy and Management (OPM) beginning in FY 26 and a corresponding revenue gain to municipalities.

The amendment requires OPM to establish and administer a grant program to offset various costs to municipalities related to municipal camp programs. The amendment specifies that each grant may be up to \$5,000 per municipality. This results in an annual cost of up to \$845,000 to OPM annually beginning in FY 26 and corresponding revenue gain to municipalities.¹

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose.
