PROTECTION.

AMENDMENT

Senate Calendar No.: 241

OFA Fiscal Note

Eliminates Fiscal Impact of Bill

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment results in no fiscal impact. It requires hospitals, including the UConn Health Center, to submit their national provider and taxpayer identification numbers with reimbursement claims for services at certain facilities, and specifies that health carriers are not obligated to provide reimbursement for claims submitted without such information. It is anticipated that UConn Health will be able to meet the bill's provisions with existing resources.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
