AN ACT CONCERNING HEALTH INSURANCE AND PATIENT  
PROTECTION.

## AMENDMENT

LCO No.: 8943

File Copy No.: 419

Senate Calendar No.: 241

### ***OFA Fiscal Note***

#### ***Eliminates Fiscal Impact in Bill***

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment exempts certain health insurance rate filings from prior approval by the Insurance Department commissioner if they: (1) propose an annual rate increase of less than five per cent; and (2) are accompanied by an actuarial certification of necessity. This results in no fiscal impact to the state or municipalities as the exemption is not expected to meaningfully change the Insurance Department's workload.

In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
