### ***OFA Fiscal Note***

#### ***Eliminates Fiscal Impact in Bill***

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment allows for restriction, suspension or revocation of a physician's right to practice if they bill separately for any ancillary service that is routinely bundled with any primary procedure, unless otherwise provided for under state regulation or a relevant health insurance policy. This change results in no fiscal impact to the state or municipalities.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
