OFA Fiscal Note

No Fiscal Impact

The amendment clarifies that the Department of Social Services (DSS) must obtain approval from the Appropriations and Human Services committees for certain proposals related to the Medicaid payment model prior to implementing or seeking federal approval, which does not alter the fiscal impact of the underlying bill.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
