sSB-1163

AN ACT CONCERNING QUALIFICATIONS OF INDIVIDUALS
APPOINTED TO SERVE AS MODERATORS AT ELECTIONS AND
PRIMARIES.

AMENDMENT

LCO No.: 8156

File Copy No.: 531

Senate Calendar No.: 296

OFA Fiscal Note

Cost

The amendment requires that the Secretary of the State (SOTS) to develop and implement a process for signature verification resulting in a cost to SOTS and municipalities.

The cost to SOTS is associated with software costs¹, labor costs, supplies, and training². The exact cost will depend on the system used to complete signature verification.

Additionally, there is a cost to municipalities due to the additional workload created by the amendment. This cost is associated with the additional election workers required to implement signature verification, the additional hours required, and resources required to implement the amendment. The exact cost will vary by town depending on the number of additional election workers required.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any

¹ Signature verification software was estimated to cost \$150,000-\$200,000 per town as of 2022. There is also an annual licensing cost of between \$100,000-\$200,000 for the state per year.

² This is expected to cost \$150,000-\$200,000 per year to train election workers as of 2022.
