AN ACT CONCERNING STATE CONTRACTS WITH NONPROFIT HUMAN SERVICES PROVIDERS.
AMENDMENT
LCO No.: 9897
File Copy No.: 130
Senate Calendar No.: 119

OFA Fiscal Note

Reduces Cost In Bill

The amendment strikes Section 1 of the underlying bill and moves back the deadlines for the review and the report described in Section 2 by one year, from January 1, 2026, to January 1, 2027.

The Office of Policy and Management (OPM) will not require a Grants and Contracts Specialist to meet the requirements of the amendment. Additionally, OPM will only require one Associate Accounts Examiner to meet the requirements of the amendment, instead of the two that were required to meet the requirements of the underlying bill. This will reduce the cost of the bill by $255,000 in FY 26 and FY 27.

As the deadlines for the review and report required by Section 2 are moved back by one year, OPM will no longer experience a one-time cost of approximately $2 million in FY 26 for vendor costs. Previously, an outside consultant was required to meet the underlying bill's deadline.

OPM may experience a potential cost of $1 million to the extent Core-CT requires any changes or upgrades need to comply with the report required by the amendment.

The amendment also makes a technical change which does not result in a fiscal impact.
