The amendment limits the number of libraries to which the provisions of the underlying bill apply, which eliminates any corresponding savings to libraries excluded from the bill's provisions.

The amendment excludes: (1) municipal libraries in municipalities that opt out of the bill's provisions less than 90 days after they go into effect; (2) libraries that spend less than five percent of their total budget on electronic licensing; and (3) municipal libraries with a total budget less than or equal to \$1 million annually.
