The amendment shifts costs from FY 26 to FY 27 by changing the effective date to July 1, 2026 for the provisions related to excluding prevention services from the annual cap on Medicaid dental payments and expanding coverage to include a second dental cleaning per year.

The amendment also expands coverage to include a second dental exam, resulting in increased state Medicaid costs to the Department of Social Services of approximately \$600,000 beginning in FY 27.
