SB-1311

AN ACT CONCERNING THE RECOMMENDATIONS OF THE
DEPARTMENT OF CHILDREN AND FAMILIES.

AMENDMENT

LCO No.: 7744

File Copy No.: 89

Senate Calendar No.: 100

OFA Fiscal Note

Minimal Revenue Gain

The amendment modifies the underlying bill by extending the time period in which a youth may seek reentry into DCF care and expediting the filing of a motion for associated court review. There is a potential minimal General Fund revenue gain to the extent that additional cases are deemed eligible for federal Title IV-E reimbursement and/or the court determination needed to claim reimbursement of the costs of utilized services is made at an earlier date.

The revised application timeline is consistent with current agency reentry policy. Additionally, DCF can meet the shortened court filing deadline without undue burden.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
