SB-1336

AN ACT CONCERNING A STUDY RELATING TO BANKING
ISSUES.

AMENDMENT

LCO No.: 7963

File Copy No.: 174

Senate Calendar No.: 139

OFA Fiscal Note

No Fiscal Impact

The amendment strikes the underlying bill, resulting in the impact described below.

The amendment establishes a statute of limitations for foreclosure actions and reduces the time after which an unreleased mortgage is invalid under certain circumstances, resulting in no fiscal impact to the state or to municipalities because these changes primarily affect private entities.

The court system disposes of over 20,000 housing summary process cases annually, and the number of cases is not anticipated to be great enough to result in a savings.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
