The amendment excludes certain housing projects from the prevailing wage provisions. Any impact is dependent on what the final cost of the project would have otherwise been.¹

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.

¹ Local housing authorities are autonomous public corporations, which are generally funded by the U.S. Department of Housing and Urban Development (HUD) but may also receive state funding.
