SB-1373

AN ACT REQUIRING THE LICENSURE OF LACTATION
CONSULTANTS.

AMENDMENT

LCO No.: 8661

File Copy No.: 290

House Calendar No.: 597

Senate Calendar No.: 198

OFA Fiscal Note

Revenue Loss

The amendment removes the bill's initial licensure application fees for lactation consultants, eliminating a revenue gain of \$57,200 in FY 27 and a minimal revenue gain annually thereafter. The amendment also creates additional lactation consultant licensure requirements for international board-certified lactation consultants who are certified after January 1, 2025, which may result in a minimal revenue loss from lower collection of the \$100 renewal licensure fee, due to fewer persons seeking licensure.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
