OFA Fiscal Note

No Fiscal Impact

The amendment requires the Workers' Compensation Commission to submit a report on the number of available practicing physicians and surgeons participating as providers in the state's workers' compensation program and is not anticipated to result in a fiscal impact to the state as the commission will likely be able to meet the bill's requirements with existing resources.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
