**AMENDMENT** 

SB-1450 AN ACT CONCERNING RECRUITMENT AND RETENTION OF THE HEALTH CARE WORKFORCE.

LCO No.: 8970 File Copy No.: 611

Senate Calendar No.: 336

## **OFA Fiscal Note**

## Minimal Fiscal Impact

The amendment removes an eligibility requirement that athletic trainers practice in rural and underserved areas for purposes of the proposed recruitment grant program. This may result in a minimal cost increase related to additional relocation expenses as well as an associated increase in licensure revenues<sup>1</sup> to the extent that newly eligible athletic trainers elect to participate in this program.

The amendment also: (1) allows the bill's health care provider loan reimbursement program to be limited to nonprofit employees, at the Department of Public Health's discretion, and excludes self-employed health care providers from the program; and (2) makes a technical change to the underlying bill. These changes do not result in a fiscal impact.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
