(As Amended)

***"AN ACT CONCERNING ARTIFICIAL INTELLIGENCE."***

1 Strike subdivision (9) of section 1 in its entirety and substitute the  
2 following in lieu thereof:

3 "(9) "Intentional and substantial modification" (A) means any  
4 deliberate material change made to an artificial intelligence system that  
5 was not predetermined by a developer and materially increases the risk  
6 of algorithmic discrimination, and (B) does not include any change  
7 made to a high-risk artificial intelligence system, or the performance of  
8 a high-risk artificial intelligence system, if (i) the high-risk artificial  
9 intelligence system continues to learn after such high-risk artificial  
10 intelligence system is (I) offered, sold, leased, licensed, given or  
11 otherwise made available to a deployer, or (II) deployed, and (ii) such  
12 change (I) is made to such high-risk artificial intelligence system as a

13 result of any learning described in subparagraph (B)(i) of this  
14 subdivision, and (II) is included in the technical documentation for such  
15 high-risk artificial intelligence system;"

16 Strike sections 2 and 3 in their entirety and renumber the remaining  
17 sections and internal references accordingly
