2 and internal references accordingly.

3 Strike subsection (a) of section 2 in its entirety and insert the  
4 following:

5 "(a) There is established a task force to study the reduction in single-  
6 use plastics in the state. Such study shall identify sustainable  
7 alternatives to such single-use plastics, develop recommendations for  
8 single-use plastics reduction, develop an implementation plan for the  
9 elimination of single-use plastics, including appropriate alternatives,  
10 disposal and budgeting, develop options for enforcement of such  
11 elimination, determine reasonable time frames for the implementation  
12 of additional reductions in single-use plastics in the state and study  
13 ways to recycle polystyrene products in schools and restaurants

14 through the establishment of a state-based pilot program to develop a  
15 collection infrastructure for such items and a circular recycling system  
16 to recycle such items into new products. The task force shall seek  
17 partnerships with manufacturers and other affected businesses to fund  
18 any such pilot program."
