AN ACT CONCERNING WORKFORCE DEVELOPMENT AND WORKING CONDITIONS IN THE STATE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (NEW) (*Effective October 1, 2026*) (a) For the purposes of this
2 section, (1) "health care provider" means an individual directly or
3 indirectly employed by, or volunteering for, a health care facility or
4 institution and who (A) is involved in direct patient care, or (B) has
5 direct contact with the patient or the patient's family when either (i)
6 collecting or processing information for patient forms and records, or
7 (ii) escorting or directing the patient or patient's family on the health
8 care employer's premises, and (2) "health care facility or institution" has
9 the same meaning as provided in section 19a-905 of the general statutes.

10 (b) Each health care facility or institution, and each state agency that
11 employs any health care provider, shall protect and save harmless any
12 health care provider or other employee of such health care facility or
13 institution from financial loss and expense, including payment of

14 expenses reasonably incurred for medical or other services necessary as
15 a result of any assault upon such health care provider or other employee
16 while such health care provider or other employee was acting in the
17 discharge of such health care provider or other employee's duties within
18 the scope of such health care provider or other employee's employment
19 or under the direction of such health care facility or institution or state
20 agency, which expenses are not paid by the individual health care
21 provider or other employee's insurance, workers' compensation or any
22 other source not involving an expenditure by such health care provider
23 or other employee.

24 (c) Any health care provider or other employee absent from
25 employment as a result of injury sustained during any assault or for a
26 court appearance in connection with such assault shall continue to
27 receive such health care provider or other employee's salary or

29 workers' compensation award may be deducted from any payment of
30 wages during such absence. Any such health care provider or other

41 any (A) amount of workers' compensation benefits received by such
42 health care provider or other employee, and (B) amount paid by such
43 health care worker or other employee's health insurance. In any action
44 brought by a health care provider or other employee of a health care
45 facility or institution under this section, the court may award, to the

49 facility or institution who brings an action pursuant to this subsection
50 shall provide notice of such action to the health care facility or
51 institution such action is being brought against. Such notice shall be in
52 writing and delivered in person or by registered or certified mail.

53 (e) Any health care facility or institution that has paid or is obligated
54 to pay wages or other expenses for medical or other services pursuant
55 to this section, as a result of any assault on a health care provider or
56 other employee, may bring a civil action in Superior Court against the
57 individual who committed such assault to recover such expenses and
58 costs.

110 Sec. 4. Section 31-51r of the general statutes is repealed and the
111 following is substituted in lieu thereof (*Effective October 1, 2026*):

147 benefits and existing impediments to the state in utilizing such
148 additional services for such persons, and (2) make recommendations on
149 funding sources and benefits the state can provide to support such
150 persons.

151 (b) The task force shall consist of the following members:

177 (4), (5), (6), (7) or (8) of subsection (b) of this section may be a member
178 of the General Assembly.

179 (d) At least two members of the task force appointed under
180 subdivision (3), (4), (5), (6), (7) or (8) of subsection (b) of this section shall
181 be a parent of a person with disabilities who earns less than the
182 minimum wage pursuant to Section 14(c) of the Fair Labor Standards
183 Act of 1938, 29 USC 214(c).

200 4a of the general statutes. The task force shall terminate on the date that
201 it submits such report or January 1, 2028, whichever is later.

202 Sec. 6. Section 7-152b of the general statutes is repealed and the
203 following is substituted in lieu thereof (*Effective October 1, 2026*):

204 (a) Any town, city or borough may establish by ordinance a parking
205 violation hearing procedure in accordance with this section. The
206 Superior Court shall be authorized to enforce the assessments and
207 judgments provided for under this section.

208 (b) The chief executive officer of the town, city or borough shall
209 appoint one or more parking violation hearing officers, other than
210 policemen or persons who issue parking tickets or work in the police
211 department, to conduct the hearings authorized by this section.

212 (c) A town, city or borough may, at any time within two years from
213 the expiration of the final period for the uncontested payment of fines,
214 penalties, costs or fees for any alleged violation under any ordinance
215 adopted pursuant to section 7-148 or sections 14-305 to 14-308, inclusive,
216 send notice to the motor vehicle operator, if known, or the registered
217 owner of the motor vehicle by first class mail at his address according
218 to the registration records of the Department of Motor Vehicles or by
219 electronic mail, if the operator or owner's electronic mail address is
220 known. Such notice shall inform the operator or owner: (1) Of the
221 allegations against him and the amount of the fines, penalties, costs or
222 fees due; (2) that he may contest his liability before a parking violations
223 hearing officer by delivering in person, by electronic mail or by mail
224 written notice within ten days of the date thereof; (3) that if he does not
225 demand such a hearing, an assessment and judgment shall enter against
226 him; and (4) that such judgment may issue without further notice.
227 Whenever a violation of such an ordinance occurs, proof of the
228 registration number of the motor vehicle involved shall be prima facie
229 evidence in all proceedings provided for in this section that the owner
230 of such vehicle was the operator thereof; provided, the liability of a
231 lessee under section 14-107 shall apply.

232 (d) If the person who is sent notice pursuant to subsection (c) of this
233 section wishes to admit liability for any alleged violation, such person
234 may, without requesting a hearing, pay the full amount of the fines,

235 penalties, costs or fees admitted to in person or by mail to an official
236 designated by the town, city or borough. Such payment shall be
237 inadmissible in any proceeding, civil or criminal, to establish the
238 conduct of such person or other person making the payment. Any
239 person who does not demand a hearing within ten days of the date of
240 the first notice provided for in subsection (c) of this section shall be
241 deemed to have admitted liability, and the designated town official shall
242 certify such person's failure to respond to the hearing officer. The
243 hearing officer shall thereupon enter and assess the fines, penalties,
244 costs or fees provided for by the applicable ordinances and shall follow
245 the procedures set forth in subsection (f) of this section.

246 (e) Any person who requests a hearing shall be given written notice
247 of the date, time and place for the hearing. Such hearing shall be held
248 not less than fifteen days nor more than thirty days from the date of the
249 mailing of notice, provided the hearing officer shall grant upon good
250 cause shown any reasonable request by any interested party for
251 postponement or continuance. An original or certified copy of the initial
252 notice of violation issued by a policeman or other issuing officer shall be
253 filed and retained by the town, city or borough, be deemed to be a
254 business record within the scope of section 52-180 and be evidence of
255 the facts contained therein. The presence of the policeman or issuing
256 officer shall be required at the hearing if such person so requests. A
257 person wishing to contest his liability shall appear at the hearing in
258 person or by means of electronic equipment, and may present evidence
259 in his behalf. A designated town official, other than the hearing officer,
260 may present evidence on behalf of the town. If such person fails to
261 appear, the hearing officer may enter an assessment by default against
262 him upon a finding of proper notice and liability under the applicable
263 statutes or ordinances. The hearing officer may accept from such person
264 copies of police reports, Department of Motor Vehicles documents and
265 other official documents by mail and may determine thereby that the
266 appearance of such person is unnecessary. The hearing officer shall
267 conduct the hearing in the order and form and with such methods of
268 proof as he deems fair and appropriate. The rules regarding the
269 admissibility of evidence shall not be strictly applied, but all testimony

270 shall be given under oath or affirmation. The hearing officer shall
271 announce his decision at the end of the hearing. If he determines that
272 the person is not liable, he shall dismiss the matter and enter his
273 determination in writing accordingly. If he determines that the person
274 is liable for the violation, he shall forthwith enter and assess the fines,
275 penalties, costs or fees against such person as provided by the applicable
276 ordinances of that town, city or borough.

277 (f) If such assessment is not paid on the date of its entry, the hearing
278 officer shall send by first class mail a notice of the assessment to the
279 person found liable and shall file, not less than thirty days or more than
280 twelve months after such mailing, a certified copy of the notice of
281 assessment with the clerk of a superior court facility designated by the
282 Chief Court Administrator together with an entry fee of eight dollars.
283 The certified copy of the notice of assessment shall constitute a record
284 of assessment. Within such twelve-month period, assessments against
285 the same person may be accrued and filed as one record of assessment.
286 The clerk shall enter judgment, in the amount of such record of
287 assessment and court costs of eight dollars, against such person in favor
288 of the town, city or borough. Notwithstanding any provision of the
289 general statutes, the hearing officer's assessment, when so entered as a
290 judgment, shall have the effect of a civil money judgment and a levy of
291 execution on such judgment may issue without further notice to such
292 person.

293 (g) A person against whom an assessment has been entered pursuant
294 to this section is entitled to judicial review by way of appeal. An appeal
295 shall be instituted within thirty days of the mailing of notice of such
296 assessment by filing a petition to reopen assessment, together with an
297 entry fee in an amount equal to the entry fee for a small claims case
298 pursuant to section 52-259, at the Superior Court facility designated by
299 the Chief Court Administrator, which shall entitle such person to a
300 hearing in accordance with the rules of the judges of the Superior Court.

301 (h) It shall be an affirmative defense for a health care provider in any
302 parking violation hearing that a parking violation was issued to such

303 health care worker during such health care worker's shift, provided
304 such parking violation was not issued (1) while the health care provider
305 was at a health care facility or institution, or (2) for a public safety
306 violation, including, but not limited to, blocking a fire hydrant, sidewalk
307 or handicap ramp. For purposes of this subsection, "health care
308 provider" and "health care facility or institution" have the same
309 meanings as provided in section 19a-905.

523 (*Effective July 1, 2026*):

524 (c) The contract of employment of a teacher who has not attained
525 tenure may be terminated at any time for any of the reasons enumerated
526 in subdivisions (1) to (6), inclusive, of subsection (d) of this section. [;

528 standard applied in other disciplinary actions under the terms of such

530 such teacher shall be continued into the next school year unless such
531 teacher receives written notice by May first in one school year that such
532 contract will not be renewed for the following year. Upon the teacher's
533 written request, not later than three calendar days after such teacher
534 receives such notice of nonrenewal or termination, a notice of
535 nonrenewal or termination shall be supplemented not later than four
536 calendar days after receipt of the request by a statement of the reason or
537 reasons for such nonrenewal or termination. Such teacher, upon written
538 request filed with the board of education not later than ten calendar
539 days after the receipt of notice of [termination, or] nonrenewal or
540 termination shall be entitled to a hearing, except as provided in this
541 subsection, (1) before the board, or (2) if indicated in such request and if
542 designated by the board, before an impartial hearing officer chosen by
543 the teacher and the superintendent in accordance with the provisions of
544 subsection (d) of this section. Such hearing shall commence not later
545 than fifteen calendar days after receipt of such request unless the parties
546 mutually agree to an extension not to exceed fifteen calendar days. The
547 impartial hearing officer or a subcommittee of the board of education, if
548 the board of education designates a subcommittee of three or more
549 board members to conduct hearings, shall submit written findings and
550 recommendations to the board for final disposition. The teacher shall
551 have the right to appear with counsel of the teacher's choice at the
552 hearing. A teacher who has not attained tenure shall not be entitled to a
553 hearing concerning nonrenewal if the reason for such nonrenewal is
554 either elimination of position or loss of position to another teacher. The
555 board of education shall rescind a nonrenewal decision only if the board
556 finds such decision to be arbitrary and capricious. Any such teacher

557 whose contract is terminated for the reasons enumerated in
558 subdivisions (3) and (4) of subsection (d) of this section shall have the
559 right to appeal in accordance with the provisions of subsection (e) of this
560 section.

561 (d) The contract of employment of a teacher who has attained tenure
562 shall be continued from school year to school year, except that it may be
563 terminated at any time for one or more of the following reasons: (1)
564 Inefficiency, incompetence or ineffectiveness, provided, if a teacher is
565 notified on or after July 1, 2014, that termination is under consideration
566 due to incompetence or ineffectiveness, the determination of
567 incompetence or ineffectiveness is based on evaluation of the teacher

570 education; (3) moral misconduct; (4) disability, as shown by competent

573 position exists to which such teacher may be appointed if qualified,
574 provided such teacher, if qualified, shall be appointed to a position held
575 by a teacher who has not attained tenure, and provided further that
576 determination of the individual contract or contracts of employment to
577 be terminated shall be made in accordance with either (A) a provision
578 for a layoff procedure agreed upon by the board of education and the
579 exclusive employees' representative organization, or (B) in the absence
580 of such agreement, a written policy of the board of education; or (6)
581 other due and sufficient [cause] reasons. The standard of review for all
582 such reasons shall be the same standard applied in other disciplinary
583 actions under the terms of such teacher's collective bargaining
584 agreement. Nothing in this section or in any other section of the general
585 statutes or of any special act shall preclude a board of education from
586 making an agreement with an exclusive bargaining representative

588 superintendent shall give the teacher concerned a written notice that
589 termination of such teacher's contract is under consideration and give
590 such teacher a statement of the reasons for such consideration of
591 termination. Not later than ten calendar days after receipt of written

592 notice by the superintendent that contract termination is under
593 consideration, such teacher may file with the local or regional board of
594 education a written request for a hearing. [A board of education may
595 designate a subcommittee of three or more board members to conduct
596 hearings and submit written findings and recommendations to the
597 board for final disposition in the case of teachers whose contracts are
598 terminated.] Such hearing shall commence not later than fifteen
599 calendar days after receipt of such request, unless the parties mutually
600 agree to an extension [,] not to exceed fifteen calendar days, [(A) before
601 the board of education or a subcommittee of the board, or (B) if indicated
602 in such request or if designated by the board] before an impartial
603 hearing officer chosen by the teacher and the superintendent. If the
604 parties are unable to agree upon the choice of a hearing officer not later
605 than five calendar days after the decision to use a hearing officer, the
606 hearing officer shall be selected with the assistance of the American
607 Arbitration Association using its expedited selection process and in
608 accordance with its rules for selection of a neutral arbitrator in grievance
609 arbitration. [If the hearing officer is not selected with the assistance of
610 such association after five days, the hearing shall be held before the
611 board of education or a subcommittee of the board.] When the reason
612 for termination is incompetence or ineffectiveness, the hearing shall [(i)
613 (A) address the question of whether the performance evaluation ratings
614 of the teacher were determined in good faith in accordance with the
615 program adopted by the local or regional board of education pursuant
616 to section 10-151b and were reasonable in light of the evidence
617 presented, and [(ii) (B) be limited to twelve total hours of evidence and
618 testimony, with each side allowed not more than six hours to present
619 evidence and testimony except the [board, subcommittee of the board
620 or] impartial hearing officer may extend the time period for evidence
621 and testimony at the hearing when good cause is shown. Not later than
622 forty-five calendar days after receipt of the request for a hearing, the
623 [subcommittee of the board or] hearing officer, unless the parties
624 mutually agree to an extension not to exceed fifteen calendar days, shall
625 [submit written findings and a recommendation to the board of
626 education as to the disposition of the charges against the teacher and

627 shall send a copy of such findings and recommendation to the teacher.

629 decision not later than fifteen calendar days after receipt of the written
630 recommendation of the subcommittee or hearing officer] render to the
631 board of education and the teacher a written disposition that shall be
632 binding on the parties. Each party shall share equally the fee of the
633 hearing officer and all other costs incidental to the hearing. [If the
634 hearing is before the board of education, the board shall render its
635 decision not later than fifteen calendar days after the close of such
636 hearing and shall send a copy of its decision to the teacher.] The hearing
637 shall be public if the teacher so requests, [or the board, subcommittee or
638 hearing officer so designates.] The teacher concerned shall have the right
639 to appear with counsel at the hearing, whether public or private. [A
640 copy of a transcript of the proceedings of the hearing shall be furnished
641 by the board of education, upon written request by the teacher within
642 fifteen days after the board's decision, provided the teacher shall assume
643 the cost of any such copy.] Either party shall have the right to request a
644 copy of the transcript and shall bear the cost of any such copy. Nothing
645 [herein] contained in this section shall deprive a board of education or
646 superintendent of the power to suspend a teacher from duty
647 immediately when serious misconduct is charged without prejudice to
648 the rights of the teacher as otherwise provided in this section.

649 (e) Any teacher or board of education aggrieved by the [decision of a
650 board of education] award of the hearing officer after a hearing as
651 provided in subsection (d) of this section may [appeal therefrom, not
652 later than thirty calendar days after such decision, to the Superior Court.
653 Such appeal shall be made returnable to said court in the same manner
654 as is prescribed for civil actions brought to said court] make an
655 application to the Superior Court to confirm, vacate or modify such
656 award pursuant to sections 52-417 to 52-419, inclusive. Any such
657 [appeal] application shall be a privileged case to be heard by the court
658 as soon after the return day as is practicable. The teacher or board of
659 education shall file with the court a copy of the complete transcript of
660 the proceedings of the hearing, [and the minutes of board of education
661 meetings relating to such termination, including the vote of the board

662 on the termination,] together with such other documents, or certified
663 copies thereof, as shall constitute the record of the case. [The court, upon
664 such appeal, shall review the proceedings of such hearing. The court,
665 upon such appeal and hearing thereon, may affirm or reverse the
666 decision appealed from in accordance with subsection (j) of section 4-
667 183. Costs shall not be allowed against the board of education unless it
668 appears to the court that it acted with gross negligence or in bad faith or
669 with malice in making the decision appealed from.]

1655 thereunder, may accept, in lieu of a hearing in accordance with the
1656 provisions of chapter 54, an agreement by any person charged with such
1657 violation. Negotiations relating to any such agreement shall be
1658 confidential and not subject to disclosure pursuant to the Freedom of
1659 Information Act, as defined in section 1-200, but any such agreement
1660 itself shall be a public record for purposes of said act.

1661 (f) The Commissioner of Administrative Services may apply for the
1662 enforcement of any civil penalty imposed pursuant to this section
1663 against any person who is not licensed as a crane or hoisting equipment

1687 of Education, conduct a survey of high school work-based learning
1688 programs provided in the region served by each regional education
1689 service center or offered by the Technical Education and Career System
1690 for the purpose of identifying the need for enhanced or new work-based
1691 learning programs to be provided by the regional education service
1692 center or Technical Education and Career System. Such survey shall
1693 include, but need not be limited to, (1) an inventory of work-based

1698 System, and (3) the total cost incurred by each school district and the
1699 Technical Education and Career System for each such work-based
1700 learning program. Each regional educational service center shall
1701 develop and maintain its own survey procedure and may conduct
1702 subsequent surveys as necessary.

1703 Sec. 35. (*Effective from passage*) (a) Not later than January 1, 2027, the
1704 Commissioner of Education shall, in consultation with the Office of
1705 Workforce Strategy, establish a two-year pilot program to provide
1706 educator externships for certified educators in order to allow such
1707 educators to participate in experiential learning with private sector

1715 completion of an externship through such program by an educator, and
1716 (5) establish eligibility for grants for employers that participate in such
1717 program. The commissioner may contract with nongovernmental
1718 entities, including, but not limited to, nonprofit organizations, to carry
1719 out the provisions of this section.

1720 (b) For the school years commencing July 1, 2027, and July 1, 2028,
1721 the commissioner shall prioritize placement in such externship program
1722 established pursuant to subsection (a) of this section to educators (1)
1723 employed in a town designated as an alliance district, pursuant to
1724 section 10-262u of the general statutes, or (2) who teach a topic related
1725 to science, technology, engineering and mathematics, manufacturing or
1726 health care.

1727 Sec. 36. Section 31-3l of the general statutes is repealed and the
1728 following is substituted in lieu thereof (*Effective October 1, 2026*):

1729 (a) The members of a board shall be appointed by the chief elected
1730 officials of the municipalities in the region in accordance with the
1731 provisions of an agreement entered into by such municipalities. In the
1732 absence of an agreement the appointments shall be made by the
1733 Governor. The membership of each board shall satisfy the requirements
1734 for a local board as provided under the Workforce Innovation and
1735 Opportunity Act and include a regional workforce navigator described
1736 in subsection (b) of this section.

1737 (b) Each regional workforce navigator shall coordinate with the
1738 regional workforce development boards, the Governor's Workforce
1739 Council and the Labor Department in order to connect individuals
1740 participating in adult education programs with workforce

1742 apprenticeships, job shadowing opportunities and credentials offered in

1743 the state. For purposes of this subsection "credential" has the same
1744 meaning as provided in section 10a-35b.

1745 Sec. 37. (NEW) (*Effective October 1, 2026*) (a) The Labor Commissioner
1746 shall develop, in consultation with educational institutions, the regional

1750 measures in order to ensure informed collaboration.

1751 (b) Such training developed pursuant to subsection (a) of this section
1752 shall be provided annually to regional workforce navigators described
1753 in section 31-3l of the general statutes, as amended by this act.

1754 Sec. 38. (*Effective from passage*) The Department of Education shall
1755 study the effectiveness and benefits of co-instruction models of teaching
1756 utilized by public schools, including, but not limited to, co-instruction
1757 models that allow individuals without a professional certification under
1758 chapter 166 of the general statutes to teach alongside a certified teacher.
1759 Not later than January 1, 2027, the department shall report the results of
1760 such study to the joint standing committee of the General Assembly
1761 having cognizance of matters relating to education, in accordance with
1762 the provisions of section 11-4a of the general statutes.

1763 Sec. 39. Section 46a-60 of the 2026 supplement to the general statutes
1764 is repealed and the following is substituted in lieu thereof (*Effective*
1765 *October 1, 2026*):

1770 permitted to sit while working, more frequent or longer breaks, periodic
1771 rest, assistance with manual labor, job restructuring, light duty
1772 assignments, modified work schedules, temporary transfers to less
1773 strenuous or hazardous work, time off to recover from childbirth or

1774 break time and appropriate facilities for expressing breast milk; and

1775 (3) "Undue hardship" means an action requiring significant difficulty
1776 or expense when considered in light of factors such as (A) the nature
1777 and cost of the accommodation; (B) the overall financial resources of the
1778 employer; (C) the overall size of the business of the employer with
1779 respect to the number of employees, and the number, type and location
1780 of its facilities; and (D) the effect on expenses and resources or the
1781 impact otherwise of such accommodation upon the operation of the
1782 employer.

1783 (b) It shall be a discriminatory practice in violation of this section:

1784 (1) For an employer, by the employer or the employer's agent, except
1785 in the case of a bona fide occupational qualification or need, to refuse to
1786 hire or employ or to bar or to discharge from employment any
1787 individual or to discriminate against any individual in compensation or
1788 in terms, conditions or privileges of employment because of the
1789 individual's race, color, religious creed, age, sex, gender identity or
1790 expression, marital status, national origin, ancestry, present or past
1791 history of mental disability, intellectual disability, learning disability,

1795 (2) For any employment agency, except in the case of a bona fide
1796 occupational qualification or need, to fail or refuse to classify properly
1797 or refer for employment or otherwise to discriminate against any
1798 individual because of such individual's race, color, religious creed, age,
1799 sex, gender identity or expression, marital status, national origin,
1800 ancestry, present or past history of mental disability, intellectual
1801 disability, learning disability, physical disability, including, but not

1804 trafficking in persons;

1805 (3) For a labor organization, because of the race, color, religious creed,

1806 age, sex, gender identity or expression, marital status, national origin,
1807 ancestry, present or past history of mental disability, intellectual
1808 disability, learning disability, physical disability, including, but not
1809 limited to, blindness, status as a veteran, status as a victim of domestic
1810 violence, status as a victim of sexual assault or status as a victim of
1811 trafficking in persons of any individual to exclude from full membership
1812 rights or to expel from its membership such individual or to
1813 discriminate in any way against any of its members or against any
1814 employer or any individual employed by an employer, unless such
1815 action is based on a bona fide occupational qualification;

1816 (4) For any person, employer, labor organization or employment
1817 agency to discharge, expel or otherwise discriminate against any person
1818 because such person has opposed any discriminatory employment
1819 practice or because such person has filed a complaint or testified or
1820 assisted in any proceeding under section 46a-82, 46a-83 or 46a-84;

1821 (5) For any person, whether an employer or an employee or not, to
1822 aid, abet, incite, compel or coerce the doing of any act declared to be a
1823 discriminatory employment practice or to attempt to do so;

1824 (6) For any person, employer, employment agency or labor
1825 organization, except in the case of a bona fide occupational qualification
1826 or need, to advertise employment opportunities in such a manner as to
1827 restrict such employment so as to discriminate against individuals
1828 because of their race, color, religious creed, age, sex, gender identity or
1829 expression, marital status, national origin, ancestry, present or past
1830 history of mental disability, intellectual disability, learning disability,
1831 physical disability, including, but not limited to, blindness, status as a
1832 veteran, status as a victim of domestic violence, status as a victim of
1833 sexual assault or status as a victim of trafficking in persons;

1834 (7) For an employer, by the employer or the employer's agent: (A) To
1835 terminate a woman's employment because of her pregnancy; (B) to
1836 refuse to grant to that employee a reasonable leave of absence for
1837 disability resulting from her pregnancy; (C) to deny to that employee,
1838 who is disabled as a result of pregnancy, any compensation to which

1839 she is entitled as a result of the accumulation of disability or leave
1840 benefits accrued pursuant to plans maintained by the employer; (D) to
1841 fail or refuse to reinstate the employee to her original job or to an
1842 equivalent position with equivalent pay and accumulated seniority,
1843 retirement, fringe benefits and other service credits upon her signifying
1844 her intent to return unless, in the case of a private employer, the
1845 employer's circumstances have so changed as to make it impossible or
1846 unreasonable to do so; (E) to limit, segregate or classify the employee in
1847 a way that would deprive her of employment opportunities due to her
1848 pregnancy; (F) to discriminate against an employee or person seeking
1849 employment on the basis of her pregnancy in the terms or conditions of
1850 her employment; (G) to fail or refuse to make a reasonable
1851 accommodation for an employee or person seeking employment due to
1852 her pregnancy or condition related to menopause, unless the employer
1853 can demonstrate that such accommodation would impose an undue
1854 hardship on such employer; (H) to deny employment opportunities to
1855 an employee or person seeking employment if such denial is due to the
1856 employee's request for a reasonable accommodation due to her
1857 pregnancy or condition related to menopause; (I) to force an employee
1858 or person seeking employment affected by pregnancy or condition
1859 related to menopause to accept a reasonable accommodation if such
1860 employee or person seeking employment (i) does not have a known
1861 limitation related to her pregnancy or condition related to menopause,
1862 or (ii) does not require a reasonable accommodation to perform the
1863 essential duties related to her employment; (J) to require an employee
1864 to take a leave of absence if a reasonable accommodation can be
1865 provided in lieu of such leave; and (K) to retaliate against an employee
1866 in the terms, conditions or privileges of her employment based upon
1867 such employee's request for a reasonable accommodation;

1868 (8) For an employer, by the employer or the employer's agent, for an
1869 employment agency, by itself or its agent, or for any labor organization,
1870 by itself or its agent, to harass any employee, person seeking
1871 employment or member on the basis of sex or gender identity or
1872 expression. If an employer takes immediate corrective action in
1873 response to an employee's claim of sexual harassment, such corrective

1874 action shall not modify the conditions of employment of the employee
1875 making the claim of sexual harassment unless such employee agrees, in
1876 writing, to any modification in the conditions of employment.
1877 "Corrective action" taken by an employer, includes, but is not limited to,
1878 employee relocation, assigning an employee to a different work
1879 schedule or other substantive changes to an employee's terms and
1880 conditions of employment. Notwithstanding an employer's failure to
1881 obtain a written agreement from an employee concerning a modification
1882 in the conditions of employment, the commission may find that
1883 corrective action taken by an employer was reasonable and not of
1884 detriment to the complainant based on the evidence presented to the
1885 commission by the complainant and respondent. As used in this
1886 subdivision, "sexual harassment" means any unwelcome sexual
1887 advances or requests for sexual favors or any conduct of a sexual nature
1888 when (A) submission to such conduct is made either explicitly or
1889 implicitly a term or condition of an individual's employment, (B)
1890 submission to or rejection of such conduct by an individual is used as
1891 the basis for employment decisions affecting such individual, or (C)
1892 such conduct has the purpose or effect of substantially interfering with
1893 an individual's work performance or creating an intimidating, hostile or
1894 offensive working environment;

1895 (9) For an employer, by the employer or the employer's agent, for an
1896 employment agency, by itself or its agent, or for any labor organization,
1897 by itself or its agent, to request or require information from an
1898 employee, person seeking employment or member relating to the
1899 individual's child-bearing age or plans, pregnancy, function of the
1900 individual's reproductive system, use of birth control methods, or the
1901 individual's familial responsibilities, unless such information is directly
1902 related to a bona fide occupational qualification or need, provided an
1903 employer, through a physician may request from an employee any such
1904 information which is directly related to workplace exposure to
1905 substances which may cause birth defects or constitute a hazard to an
1906 individual's reproductive system or to a fetus if the employer first
1907 informs the employee of the hazards involved in exposure to such
1908 substances;

1909 (10) For an employer, by the employer or the employer's agent, after
1910 informing an employee, pursuant to subdivision (9) of this subsection,
1911 of a workplace exposure to substances which may cause birth defects or
1912 constitute a hazard to an employee's reproductive system or to a fetus,
1913 to fail or refuse, upon the employee's request, to take reasonable
1914 measures to protect the employee from the exposure or hazard
1915 identified, or to fail or refuse to inform the employee that the measures
1916 taken may be the subject of a complaint filed under the provisions of
1917 this chapter. Nothing in this subdivision is intended to prohibit an
1918 employer from taking reasonable measures to protect an employee from
1919 exposure to such substances. For the purpose of this subdivision,
1920 "reasonable measures" are those measures which are consistent with
1921 business necessity and are least disruptive of the terms and conditions
1922 of the employee's employment;

1923 (11) For an employer, by the employer or the employer's agent, for an
1924 employment agency, by itself or its agent, or for any labor organization,
1925 by itself or its agent: (A) To request or require genetic information from
1926 an employee, person seeking employment or member, or (B) to
1927 discharge, expel or otherwise discriminate against any person on the
1928 basis of genetic information. For the purpose of this subdivision,
1929 "genetic information" means the information about genes, gene
1930 products or inherited characteristics that may derive from an individual
1931 or a family member;

1932 (12) For an employer, by the employer or the employer's agent, to
1933 request or require a prospective employee's age, date of birth, dates of
1934 attendance at or date of graduation from an educational institution on
1935 an initial employment application, provided the provisions of this
1936 subdivision shall not apply to any employer requesting or requiring
1937 such information (A) based on a bona fide occupational qualification or
1938 need, or (B) when such information is required to comply with any
1939 provision of state or federal law; and

1940 (13) (A) For an employer or the employer's agent to deny an employee
1941 a reasonable leave of absence in order to: (i) Seek attention for injuries

1942 caused by domestic violence, sexual assault or trafficking in persons,
1943 including for a child who is a victim of domestic violence, sexual assault
1944 or trafficking in persons, provided the employee is not the perpetrator
1945 of any act of domestic violence, sexual assault or trafficking in persons
1946 committed against a child; (ii) obtain services including safety planning
1947 from a domestic violence agency or rape crisis center, as those terms are
1948 defined in section 52-146k, as a result of domestic violence, sexual
1949 assault or trafficking in persons; (iii) obtain psychological counseling
1950 related to an incident or incidents of domestic violence, sexual assault
1951 or trafficking in persons, including for a child who is a victim of
1952 domestic violence, sexual assault or trafficking in persons, provided the
1953 employee is not the perpetrator of any act of domestic violence, sexual
1954 assault or trafficking in persons committed against a child; (iv) take
1955 other actions to increase safety from future incidents of domestic
1956 violence, sexual assault or trafficking in persons, including temporary
1957 or permanent relocation; or (v) obtain legal services, assisting in the
1958 prosecution of the offense, or otherwise participate in legal proceedings
1959 in relation to the incident or incidents of domestic violence, sexual
1960 assault or trafficking in persons.

1961 (B) An employee who is absent from work in accordance with the
1962 provisions of subparagraph (A) of this subdivision shall, within a
1963 reasonable time after the absence, provide a certification to the employer
1964 when requested by the employer. Such certification shall be in the form
1965 of: (i) A police report indicating that the employee or the employee's
1966 child was a victim of domestic violence, sexual assault or trafficking in
1967 persons; (ii) a court order protecting or separating the employee or
1968 employee's child from the perpetrator of an act of domestic violence,
1969 sexual assault or trafficking in persons; (iii) other evidence from the
1970 court or prosecuting attorney that the employee appeared in court; or
1971 (iv) documentation from a medical professional, including a domestic
1972 violence counselor or sexual assault counselor, as those terms are
1973 defined in section 52-146k, or other health care provider, that the
1974 employee or the employee's child was receiving services, counseling or
1975 treatment for physical or mental injuries or abuse resulting in
1976 victimization from an act of domestic violence, sexual assault or

1977 trafficking in persons.

1978 (C) Where an employee has a physical or mental disability resulting
1979 from an incident or series of incidents of domestic violence, sexual
1980 assault or trafficking in persons, such employee shall be treated in the
1981 same manner as an employee with any other disability.

1982 (D) To the extent permitted by law, employers shall maintain the
1983 confidentiality of any information regarding an employee's status as a
1984 victim of domestic violence, sexual assault or trafficking in persons.

1985 (c) (1) The provisions of this section concerning age shall not apply
1986 to: (A) The termination of employment of any person with a contract of
1987 unlimited tenure at an independent institution of higher education who
1988 is mandatorily retired, on or before July 1, 1993, after having attained
1989 the age of seventy; (B) the termination of employment of any person
1990 who has attained the age of sixty-five and who, for the two years
1991 immediately preceding such termination, is employed in a bona fide
1992 executive or a high policy-making position, if such person is entitled to
1993 an immediate nonforfeitable annual retirement benefit under a pension,
1994 profit-sharing, savings or deferred compensation plan, or any
1995 combination of such plans, from such person's employer, which equals,
1996 in aggregate, at least forty-four thousand dollars; (C) the termination of
1997 employment of persons in occupations, including police work and fire-
1998 fighting, in which age is a bona fide occupational qualification; (D) the
1999 operation of any bona fide apprenticeship system or plan; or (E) the
2000 observance of the terms of a bona fide seniority system or any bona fide
2001 employee benefit plan for retirement, pensions or insurance which is not
2002 adopted for the purpose of evading said provisions, except that no such
2003 plan may excuse the failure to hire any individual and no such system
2004 or plan may require or permit the termination of employment on the
2005 basis of age. No such plan which covers less than twenty employees may
2006 reduce the group hospital, surgical or medical insurance coverage
2007 provided under the plan to any employee who has reached the age of
2008 sixty-five and is eligible for Medicare benefits or any employee's spouse
2009 who has reached age sixty-five and is eligible for Medicare benefits

2010 except to the extent such coverage is provided by Medicare. The terms
2011 of any such plan which covers twenty or more employees shall entitle
2012 any employee who has attained the age of sixty-five and any employee's
2013 spouse who has attained the age of sixty-five to group hospital, surgical
2014 or medical insurance coverage under the same conditions as any
2015 covered employee or spouse who is under the age of sixty-five.

2016 (2) No employee retirement or pension plan may exclude any
2017 employee from membership in such plan or cease or reduce the
2018 employee's benefit accruals or allocations under such plan on the basis
2019 of age. The provisions of this subdivision shall be applicable to plan
2020 years beginning on or after January 1, 1988, except that for any
2021 collectively bargained plan this subdivision shall be applicable on the
2022 earlier of (A) January 1, 1990, or (B) the later of (i) the expiration date of
2023 the collective bargaining agreement, or (ii) January 1, 1988.

2024 (3) The provisions of this section concerning age shall not prohibit an
2025 employer from requiring medical examinations for employees for the
2026 purpose of determining such employees' physical qualification for
2027 continued employment.

2028 (4) Any employee who continues employment beyond the normal
2029 retirement age in the applicable retirement or pension plan shall give
2030 notice of intent to retire, in writing, to such employee's employer not
2031 less than thirty days prior to the date of such retirement.

2032 (d) (1) An employer shall provide written notice of the right to be free
2033 from discrimination in relation to pregnancy, childbirth, menopause
2034 and related conditions, including the right to a reasonable
2035 accommodation to the known limitations related to pregnancy or
2036 condition related to menopause pursuant to subdivision (7) of
2037 subsection (b) of this section to: (A) New employees at the
2038 commencement of employment; (B) existing employees within one
2039 hundred twenty days of October 1, 2017; and (C) any employee who
2040 notifies the employer of her pregnancy or condition related to
2041 menopause within ten days of such notification. An employer may
2042 comply with the provisions of this section by displaying a poster in a

2043 conspicuous place, accessible to employees, at the employer's place of
2044 business that contains the information required by this section in both
2045 English and Spanish. The Labor Commissioner may adopt regulations,
2046 in accordance with chapter 54, to establish additional requirements
2047 concerning the means by which employers shall provide such notice.

2048 (2) The Commission on Human Rights and Opportunities shall
2049 develop courses of instruction and conduct ongoing public education
2050 efforts as necessary to inform employers, employees, employment
2051 agencies and persons seeking employment about their rights and
2052 responsibilities under this section.

2053 Sec. 40. Subsection (a) of section 46a-56 of the 2026 supplement to the
2054 general statutes is repealed and the following is substituted in lieu
2055 thereof (*Effective October 1, 2026*):

2056 (a) The commission shall:

2057 (1) Investigate the possibilities of affording equal opportunity of
2058 profitable employment to all persons, with particular reference to job
2059 training and placement;

2060 (2) Compile facts concerning discrimination in employment,
2061 violations of civil liberties and other related matters;

2168 the department on a prospective nurse staffing plan with a written

2227 make such minutes available to any member of the hospital staff upon
2228 request and submit such minutes to the Department of Public Health
2229 when requested by the department. A majority of the members of the
2230 staffing committee shall constitute a quorum for the transaction of
2231 staffing committee business. A decision made by the hospital staffing
2232 committee shall be made by a vote of a majority of the members present

2237 voting to allow a majority of the voting members to consist of direct care
2238 registered nurses.

2246 team, in the development of the nurse staffing plan.

2247 (d) Each hospital staffing committee shall develop the nurse staffing
2248 plan for the hospital. In developing such plan, the committee shall
2249 evaluate the most recent research regarding patient outcomes, share
2250 with hospital staff the procedures for communicating concerns to the
2251 committee regarding such plan and staffing assignments and review all
2252 reports regarding any such concerns and any objections or refusals by a
2253 registered nurse to participate in a staffing assignment made pursuant
2254 to subsection (h) of this section that were communicated to the
2255 committee. Each hospital shall implement such plan. Such plan shall: (1)
2256 Include the minimum professional skill mix for each patient care unit in
2257 the hospital, including, but not limited to, inpatient services, critical care
2258 and the emergency department; (2) identify the hospital's employment
2259 practices concerning the use of temporary and traveling nurses; (3) set
2260 forth the level of administrative staffing in each patient care unit of the
2261 hospital that ensures direct care staff are not utilized for administrative
2262 functions; (4) set forth the hospital's process for internal review of the
2263 nurse staffing plan; and (5) include the hospital's mechanism of

2274 of patients to such assistive personnel, by patient care unit; (D) the
2275 method used by the hospital to determine and adjust direct patient care
2276 staffing levels; and (E) a description of assistive personnel on each
2277 patient care unit. In addition to the information described in
2278 subdivisions (1) to (5), inclusive, of this subsection and subparagraphs

2280 and implemented after January 1, 2017, shall include: (i) A description
2281 of any differences between the staffing levels described in the staffing
2282 plan and actual staffing levels for each patient care unit; and (ii) any
2283 actions the hospital intends to take to address such differences or adjust
2284 staffing levels in future staffing plans.

2285 (e) On and after January 1, 2024, in addition to the information
2286 required pursuant to subsection (d) of this section, each nurse staffing

2301 plan, and a description of how and why such plan was not complied
2302 with and plans to avoid future noncompliance with such plan; and

2303 (5) Certification that the hospital and its hospital staffing committee
2304 are meeting the requirements set forth in this section and a description
2305 of how each requirement is being met.

2306 (f) Each hospital shall post the nurse staffing plan developed and

2325 nurse is not competently able based on education, training or experience
2326 to participate in the activity, policy, practice or task without
2327 compromising the safety of a specific patient. If a registered nurse
2328 objects or refuses to participate, the nurse shall immediately contact a
2329 supervisor for assistance or to allow the hospital to find a suitable
2330 replacement. Not later than twelve hours after objecting or refusing to
2331 participate, the registered nurse shall submit a form, developed by the
2332 hospital and approved by the Department of Public Health, that
2333 includes the following: (1) A detailed statement of the reasons that the

2335 task; (2) a description of how performing the activity, policy, practice or
2336 task would have compromised patient safety; and (3) the ways in which
2337 the activity, policy, practice or task was not consistent with the nurse's

2339 review and analyze each form submitted pursuant to this subsection
2340 through one or more of the hospital's committees or functions,

2344 patient safety. Each hospital shall provide the Department of Public
2345 Health with confidential access to the forms submitted to the hospital
2346 pursuant to this subsection upon request.

2347 (i) If a registered nurse reasonably believes his or her participation in
2348 an activity, policy, practice or task would violate a provision of a nurse
2349 staffing plan or policy approved by the hospital's nurse staffing
2350 committee, the nurse may file a complaint with the nurse staffing
2351 committee on a form developed by the hospital and approved by the
2352 Department of Public Health. The hospital and its nurse staffing
2353 committee shall analyze the complaint and provide the Department of
2354 Public Health with an analysis of actions taken in response to such
2355 complaint. The department shall submit all complaint forms provided
2356 to it pursuant to this subsection with its biannual report required
2357 pursuant to subsection (n) of this section.

2358 (j) No hospital shall discharge, retaliate against, discriminate against
2359 or take any other adverse action against a registered nurse or any aspect
2360 of the registered nurse's employment, including, but not limited to,
2361 discharge, promotion, reduction in compensation or changes to terms,

2363 any of the actions described in this section, participation by the
2364 registered nurse in a hospital staffing committee or raising of concerns
2365 by the registered nurse regarding unsafe staffing or workplace violence,
2366 racism or bullying.

2367 (k) Nothing in this section shall be construed to allow a nurse to
2368 abandon a patient or refuse to perform patient care activities (1) during
2369 an ongoing surgical procedure until such procedure is completed; (2) in

2371 such nurse is relieved by another nurse; (3) in the case of a public health
2372 emergency; (4) in the case of an institutional emergency; or (5) in any
2373 instance where inaction or abandonment by the nurse would jeopardize
2374 patient safety.

2375 (l) Nothing in this section shall prohibit a hospital, the Department of
2376 Public Health or the State Board of Examiners for Nursing from
2377 requiring a nurse to obtain additional training or continuing education
2378 consistent with the nurse's assigned roles and job description.

2379 (m) Not later than January 1, 2016, and annually thereafter, the
2380 Commissioner of Public Health shall report, in accordance with the
2381 provisions of section 11-4a, to the joint standing committee of the

2383 health concerning hospital compliance with reporting requirements
2384 under this section and recommendations concerning any additional
2385 reporting requirements.

2386 (n) (1) Each hospital shall report biannually to the Department of
2387 Public Health, in a form and manner prescribed by the Commissioner
2388 of Public Health, whether it has been in compliance, for the previous six

2390 as required by any component outlined in the nurse staffing plan
2391 developed pursuant to subsections (d) and (e) of this section. Such
2392 report shall include, but need not be limited to, the date of each instance
2393 where the hospital varied from any component outlined in the nurse
2394 staffing plan developed pursuant to subsections (d) and (e) of this
2395 section and the unit in which such variation occurred. Each hospital
2396 shall submit such reports not later than January fifteenth for the most
2397 recent six-month period ending on January first, and not later than July
2398 fifteenth for the most recent six-month period ending on July first.

2400 hospital shall report to the Department of Public Health, in a form and
2401 manner prescribed by the Commissioner of Public Health, the nurse
2402 staffing plan developed pursuant to subsections (d) and (e) of this
2403 section. The commissioner shall post hospital staffing plans submitted
2404 pursuant to this subsection on the department's Internet web site.

2405 (o) For a failure by a hospital to (1) establish or maintain a hospital
2406 staffing committee pursuant to subsection (c) of this section, (2) submit

2410 of the nurse staffing assignments set forth in the nurse staffing plan, (5)
2411 comply with the provisions of section 19a-490l, or (6) implement a nurse
2412 staffing plan approved by a majority of the hospital staffing committee
2413 in accordance with the provisions of subsection (c) of this section, the
2414 Commissioner of Public Health shall issue an order that: (A) Requires
2415 the hospital to submit a corrective action plan to correct such
2416 noncompliance and implement such plan unless disapproved by the
2417 department not later than twenty business days after its submission;
2418 and (B) (i) imposes a civil penalty of [three] five thousand five hundred
2419 dollars for the first violation, or (ii) imposes a civil penalty of [five] seven
2420 thousand five hundred dollars for each subsequent violation. For
2421 purposes of this subsection, each of the following shall constitute a
2422 separate violation: (I) Each day a hospital fails to establish or maintain a
2423 hospital staffing committee pursuant to subsection (c) of this section, (II)
2424 each day a hospital fails to submit the reports required by subsection (n)
2425 of this section, (III) each day a hospital fails to post the staffing plan
2426 pursuant to subsection (f) of this section, (IV) each day a hospital fails to
2427 comply with at least eighty per cent of the nurse staffing assignments
2428 set forth in the nurse staffing plan, and (V) each violation of section 19a-
2429 490l. The commissioner shall post any order issued pursuant to this
2430 section on the department's Internet web site.

2431 (p) (1) A hospital shall, not later than five business days after receipt
2432 of an order pursuant to subsection (o) of this section, submit a request
2433 in writing to the Department of Public Health for a hearing to contest

2434 the order. If the hospital fails to submit such a request not later than five
2435 business days after such receipt, the order shall be deemed a final order
2436 of the department, effective upon the expiration of such five business
2437 days. After receipt of a timely request for a hearing, the department shall
2438 set the matter down for a hearing as a contested case in accordance with
2439 the provisions of chapter 54.

2440 (2) Each hospital shall pay any civil penalties imposed pursuant to
2441 subsection (o) of this section not later than fifteen days after the final
2442 date by which an appeal may be taken as provided in section 4-183 or,
2443 if an appeal is taken, not later than fifteen days after the final judgment
2444 on such appeal. If such penalties or the expenses of an audit ordered
2445 under subsection (q) of this section are not paid by the hospital, the
2446 Commissioner of Public Health shall notify the Commissioner of Social
2447 Services who shall be authorized to immediately withhold from the
2448 hospital's next medical assistance payment, an amount equal to the
2449 amount of the civil penalty and audit expenses.

2450 (q) The Commissioner of Public Health may order an audit of the
2451 nurse staffing assignments of each hospital to determine compliance
2452 with the nurse staffing assignments for each hospital unit set forth in the
2453 nurse staffing plan developed pursuant to subsections (d) and (e) of this
2454 section. Such audit may include an assessment of the hospital's
2455 compliance with the requirements of this section for the content of such
2456 plan, accuracy of reports submitted to the department and the
2457 membership of the hospital staffing committee. In determining whether
2458 to order an audit, the commissioner shall consider whether there has
2459 been consistent noncompliance by the hospital with the nurse staffing
2460 plan, fear of false reporting by the hospital or any other health care
2461 quality safety concerns. The hospital that is subject to the audit shall pay
2462 the cost of the audit. The audit shall not affect the conduct by the
2463 hospital of peer review as defined in section 19a-17b.

2465 June 30, 2027, and each fiscal year thereafter, the Department of Public

² State mandate is defined in Sec. 2-32b(2) of the Connecticut General Statutes, "state mandate" means any state initiated constitutional, statutory or executive action that requires a local government to establish, expand or modify its activities in such a way as to necessitate additional expenditures from local revenues.

Explanation

The bill results in the fiscal impacts described below.

Section 1 results in potentially significant costs annually beginning in FY 27 to the UConn Health Center and other state agencies that employ health care providers. It does so by establishing indemnification and hold harmless provisions for these workers. The magnitude is dependent on damages awarded and associated legal costs.

Section 4 expands the current prohibition on employment promissory notes to include all employers, regardless of size (under current law, employers with 25 or fewer employees are exempt). This results in a potential minimal revenue gain to the Department of Labor (DOL) to the extent violations occur and penalties are collected from previously exempt employers. Per CGS Sec. 31-69a, the penalty is \$300 per violation.

Section 6 prevents municipal parking violations from being enforced on health care providers when certain requirements are met. This results in a potential revenue loss to municipalities beginning in FY 27 to the extent fewer parking violations are enforced and collected.

Section 8 results in a potential cost to the Department of Administrative Services - Worker's Compensation Claims and various self-insured municipalities beginning in FY 27 to the extent qualified public works personnel apply for workers' compensation benefits due to the expanded population eligible for such benefits under this section.

Any potential increase in the number of workers' compensation claims resulting from this section is not anticipated to be great enough to result in a fiscal impact to the Workers' Compensation Commission.

Section 9 results in a potential, minimal cost to local and regional school districts annually beginning in FY 27. The section requires local and regional school districts to hire third party hearing officers for all hearings regarding the termination of a tenured teacher and allows districts to request a copy of the transcript so long as they bear the cost

of the copy. Currently either a hearing officer or a board of education subcommittee may conduct the hearing. The cost of the hearings will be shared by all involved parties as under current law.

The cost of the section to a district will vary based on the number of hearings conducted, the rate charged by such officers, whether in the absence of the section the district would have chosen to instead use a subcommittee, and the cost of any requested transcripts. Any cost is expected to be minimal, as such hearings are rare.

Section 10 expands existing worker retention requirements to include a broader range of service contracts and covered locations. This results in (1) a cost to the DOL of \$86,681 in FY 27 (partial year cost) and \$112,907 in FY 28, (2) a cost to the State Comptroller-Fringe Benefits account of \$32,179 (partial year cost) and \$42,906 in FY 28, (3) a potential revenue gain to the DOL, and (4) a potential cost to municipalities and districts.

State Impact:

This section changes how complaints are currently handled by allowing employees to file complaints with the DOL and requiring the agency to hold hearings instead of bringing action to the Superior Court³. To accommodate this change, the agency would need to hire one additional staff attorney for its Legal Division (annualized cost of \$102,597 for salary, \$10,311 for overhead, and \$42,906 for fringe benefits).

Additionally, this section increases penalties for violations from up to \$100 to up to \$500 per employee or service worker for each day the violation continues. This results in a potential revenue gain to the DOL to the extent violations are found and penalties are paid.

Municipal Impact:

³ The court system disposes of over 250,000 cases annually and any decrease in cases as a result of this section is not anticipated to be great enough to result in savings.

This section requires certain vendors providing contracted services to municipalities and school districts to retain their predecessors' employees for at least 90 days. This results in a potential cost to municipalities and districts, beginning in FY 27, associated with increased personnel and vendor costs. The potential cost to a municipality or district depends on the terms of existing and future contracts, and the terms of a contract that a municipality or district would have entered into in the absence of the section's provisions.

There is also a potential cost to municipalities and districts associated with violating the provisions of this section including: (1) making backpay or compensatory damage payments if the DOL determines the municipality or district violated the terms of this section; and (2) a penalty of up to \$500 per day per worker for which the provisions of the section were violated. The cost to a municipality or district depends on the violation of the section's provisions and DOL's ruling in a hearing.

Section 11 extends health insurance coverage under a partnership plan to survivors of unpaid volunteer firefighters killed in the line of duty, resulting in a net neutral fiscal impact to the state and municipalities facilitating coverage as the premium costs will be reimbursed by the Fallen Officer Fund.

Section 12 extends health insurance coverage under the state employee health plan to survivors of unpaid volunteer firefighters and state marshals who die resulting from injuries sustained while on duty, resulting in a cost to the State Comptroller - Fringe Benefits of less than \$40,000 annually beginning in FY 27 for the cost of medical premiums per qualifying beneficiary to the extent they elect coverage.

Section 13 allows state employees to elect to pay union fees through payroll deductions resulting in a one-time cost to the Office of the State Comptroller of \$500,000 in FY 27 for IT costs to update the state's financial system.

Sections 16 - 18 result in a net revenue loss to Connecticut State Colleges and Universities (CSCU) and a significant revenue loss to

UConn beginning in FY 27. The sections require the constituent units to waive tuition for a variety of first responders.

First responders who may receive a tuition waiver under the bill's provisions include: (1) paid and volunteer firefighters, sworn state and local police officers, and emergency medical services (EMS) personnel employed (or serving) in Connecticut for at least five years; and (2) any student attending a state fire school. There are an estimated 42,900⁴ paid and volunteer firefighters, sworn police officers, and EMS workers in the state. It is unknown how many have been employed or serving in Connecticut for at least five years.

The revenue loss to the constituent units will vary based on the number of first responders who receive a tuition waiver, which could be significant. The table below shows the per student value of a tuition waiver at UConn and CSCU. It also shows what the potential revenue loss would be in FY 27 if an additional 500, 1,000, and 1,500 students received the waiver at each institution.

Examples of Tuition Waiver Value, FY 27			
FY 27 Per Student Value	17,010	6,998	4,608
# Addt'l Students Receiving Waiver	UConn Est. Revenue Loss \$	CSUs Est. Revenue Loss \$	CT State Est. Revenue Loss
500	8,505,000	3,499,000	2,304,000
1,000	17,010,000	6,998,000	4,608,000
1,500	25,515,000	10,497,000	6,912,000

To the extent that this tuition waiver results in increased enrollment at CSCU, the above described revenue loss is partially offset by an increase in revenue from fees. The extent of such offsetting revenue gain will depend on the number of first responders who attend CSCU due to the bill's tuition waiver. UConn is not anticipated to experience an

⁴ This figure does not include students attending a state fire school.

increase in fee revenue due to this provision.

Section 19 requires the Connecticut Housing Finance Authority (CHFA) to establish a new program of mortgage assistance for certain first responders, which results in costs to CHFA from the authority's own resources beginning in FY 27 associated with developing and marketing the program.⁵

If CHFA provides first responders with existing first-time homebuyer mortgage products at a reduced interest rate, changes to CHFA's operating revenues are anticipated to be minimal.

Costs or revenue loss for providing other forms of assistance would depend on: (1) the number of first responders assisted and (2) the type of assistance provided. Given the low utilization rate of CHFA's other occupation-specific mortgage assistance programs, the bill is not anticipated to materially change the rate of spending.⁶

Section 21 requires the Office of the State Fire Marshal (OSFM) to develop, coordinate, and implement a plan to promote the firefighter profession. This results in a potential cost to the Department of Administrative Services dependent upon the size and scope of the promotional campaign implemented by OSFM.

Section 22 requires the Department of Emergency Services and Public Protection (DESPP), in conjunction with the Department of Mental Health and Addiction Services, to expand the CRISIS program statewide by January 1, 2027. PA 25-168, the FY 26 and FY 27 Budget, provides funding for DESPP to expand the CRISIS program statewide beginning in FY 27, therefore the agency is expected to meet the requirements of this section within existing resources.

⁵ CHFA is a quasi-public authority that issues its own federally tax-exempt and taxable mortgage revenue bonds. The authority pays its operating expenses using funds derived from the excess of interest income from loans over bond interest expenses.

⁶ In 2025, CHFA assisted approximately 3,800 first-time homebuyers. Of these buyers, 27 utilized the Teachers Mortgage Assistance Program, 64 utilized the Military Homeownership Program, and 7 utilized the Police Officer Homeownership Program.

Section 23 allows municipalities not participating in the Connecticut Municipal Employees' Retirement System to create a deferred retirement option plan resulting in the following potential costs: (1) \$50,000 for a feasibility study, (2) \$50,000 for an actuarial evaluation within four-years of the plan's inception, (3) administration expenses, and (4) employer contributions.

Section 25 results in a cost to the Department of Social Services (DSS) of approximately \$216,000 in both FY 27 and FY 28 and a related federal grants revenue gain of \$58,000 in both years. State costs include \$100,000 for fiscal intermediary (FI) contract increases, as well as funding for one full-time Health Program Associate with an approximate annual salary of \$82,000 (with corresponding fringe of \$34,000) to manage the collection and posting of FI quarterly reports starting from April 1, 2024.

To the extent the Department of Developmental Services (DDS) assists DSS with the collection of report data, the department may incur staffing and/or resource costs.

Section 33 increases the reimbursement rate for some school construction projects if the project includes a technical education space or vocational agricultural center. To the extent projects are found to be eligible for the reimbursement increase and relevant projects are proposed, approved, and completed, there would be increased costs to the state (paid by General Obligation bonds, leading to an increase in General Fund debt service) and increased revenue to involved municipalities. The impact of the increased reimbursements for future projects on the school construction priority list will be reflected when such projects are considered by the legislature in the future.

Section 35 establishes a two-year pilot program for certified educator externships with private sector employers. This results in a cost to the State Department of Education (SDE) in both FY 28 and FY 29 related to program development, administration, stipends to participating educators, and grants to employers. The cost is dependent on the provisions of the pilot program, particularly the grant and stipend amounts along with the number of participants, and necessary

contracts.

Section 37 requires the Labor Commissioner to develop and deliver training on adult education programs and to regional workforce navigators. This results in a cost to the (1) DOL of \$75,458 in FY 27 (partial year cost) and \$97,945 in FY 28, and (2) State Comptroller-Fringe Benefits account of \$27,915 (partial year cost) in FY 27 and \$37,220 in FY 28. This cost reflects the hiring of one Program Service Coordinator (annualized cost of \$89,000 for salary, \$8,945 for overhead, and \$37,220 for fringe benefits) to develop and deliver the required trainings.

Section 38 requires SDE to study co-instruction models of teaching which results in a cost to SDE of up to \$500,000 in FY 27. It is anticipated SDE will require the additional funding for contracting services related to completing the study by January 1, 2027 as required by the bill.

Sections 39 and 40 prohibit menopause-related employment discrimination, resulting in a potential minimal cost and minimal potential revenue gain to the Commission on Human Rights and Opportunities (CHRO) beginning in FY 27. The sections: (1) expand the definition of a "discriminatory practice" under the CHRO laws to include failure to provide reasonable accommodation for menopause-related conditions, (2) require employers to notify employees of their rights to reasonable accommodation and to be free from menopause-related discrimination, and (3) require CHRO in concert with stakeholders to develop a model workplace policy and educational materials concerning menopause.

The exact cost and revenue gain will depend on the number of additional CHRO proceedings brought and fines imposed in response to this section. These impacts are expected to be minimal.

Section 41 requires employers to provide reasonable break time for breastfeeding employees. This results in a potential minimal revenue gain to the DOL to the extent violations occur and penalties are

collected. Per CGS Sec. 31-69a, the penalty is \$300 per violation⁷.

Section 43 expands the scope of hospital nurse staffing plan compliance requirements and increases both the frequency⁸ and magnitude⁹ of civil penalties for related violations, resulting in a potential revenue gain to the General Fund beginning in FY 27. The extent of the revenue gain, if any, is dependent on the number of violations.

Section 44 requires the Department of Public Health (DPH) to administer a state-wide certified nursing assistant training grant program, resulting in a cost beginning in FY 27, dependent on funding provided. DPH would award grants to organizations that provide education and training to prospective certified nursing assistants in the state.

Section 45 establishes several requirements for the DOL related to veteran and military member career support, including a study of models from other states in the region that deploy technology to connect such individuals with prospective employers. This results in a cost of up to \$100,000 in FY 28 for the hiring of a consultant to conduct such study.

Section 46 requires the Military Department to increase promotion of and periodically improve its employment assistance program, resulting in a potential cost to the Military Department of up to \$224,963 and a potential cost to the State Comptroller of up to \$89,898 beginning in FY 28. Depending on the extent to which the department improves and promotes the program and how many transitioning servicemembers participate, the department may need to hire one Program Manager and one Executive Assistant II.¹⁰ Costs of equipment and supplies for these

⁷ According to the agency, no civil penalties have been collected over the past few years.

⁸ This section constitutes each day of noncompliance as a separate violation, as well as each individual violation of nurse overtime limits.

⁹ The section increases associated civil penalties from \$3,500 to \$5,500 for the first violation, and from \$5,000 to \$7,500 for each subsequent violation.

¹⁰ The starting salaries for these positions are \$98,695 and \$116,268, respectively. The total estimated fringe benefits cost for these positions is \$89,898.

positions are not expected to exceed \$10,000 annually.

Section 47 requires the Department of Veterans Affairs (DVA) to hold an annual “Stand Down” event at multiple locations around the state, which must include a job fair to promote the hiring of current and former members of the armed services, reserves, and National Guard. DVA currently holds six such annual events around the state that include employers and workforce development providers. These events are currently funded through the agency’s Institutional General Welfare Fund. Due to the depletion of this fund, it is estimated that DVA will require \$50,000 beginning in FY 27 to continue to sponsor “Stand Down” events.

Section 50, which requires employers with 50 or more employees to create a guide for their employees with the pay codes that the employer uses, results in a potential minimal revenue gain to the DOL to the extent violations occur and fines are paid. Per CGS Sec. 31-69a, the penalty is \$300 per violation.

Section 52 establishes a program within DESPP for providing grants to junior firefighter programs run by volunteer fire departments. **Section 53** appropriates \$50,000 to DESPP in FY 27 only to support this program.

The sections from the bill that are not mentioned above do not result in any fiscal impact for the state or municipalities.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation, enrollment in health insurance coverage subject to instances where state marshals and unpaid volunteer firefighters are killed in the line of duty, the type and amount of CHFA mortgage assistance provided, the number of additional CHRO proceedings and fines imposed, and future appropriations.

SUMMARY

This bill makes various changes as described in the section-by-section analysis below.

EFFECTIVE DATE: Various; see below.

§ 1 — FINANCIAL PROTECTIONS FOR HEALTH CARE WORKERS ASSAULTED AT WORK

Generally requires health care facilities and state agencies to cover their health care providers' out-of-pocket expenses and lost wages incurred due to being assaulted at work; allows the providers to sue the facilities, institutions, or agencies for damages

Reimbursements for Expenses

The bill requires health care facilities or institutions, and state agencies that employ health care providers, to cover certain out-of-pocket financial losses or expenses their health care providers (and other employees of facilities or institutions) incur due to an assault that occurred while they were (1) performing their duties within the scope of their employment or (2) under the direction of the facility, institution, or agency. The covered expenses, such as medical or other services needed due to the assault, must not have been paid for by the provider's or employee's insurance, workers' compensation, or any source not involving an expenditure by the provider or employee.

Under the bill, a "health care provider" is someone directly or indirectly employed by, or volunteering for, a health care facility or institution who (1) is involved in direct patient care or (2) has direct contact with the patient or the patient's family when (a) collecting or processing information for patient forms and records or (b) escorting or directing the patient or family on the health care employer's premises. A "health care facility or institution" is a hospital, nursing home, rest

home, home health care agency, home health aide agency, emergency medical services organization, assisted living services agency, or outpatient surgical facility, or an infirmary operated by an educational institution.

Lost Wages

Under the bill, a health care provider or employee must continue to be paid their salary or contracted wage if they miss work due to an injury sustained during an assault or for a court appearance connected to the assault. However, workers' compensation benefits may be deducted from these wages during the absence (in effect, the employer must make up the difference between the benefits and the salary or contracted wage). In addition, the (1) absence cannot be charged against the provider's or employee's sick leave, vacation time, personal leave, or other accrued leave, and (2) provider or employee must continue to pay their share of their health insurance premiums during the absence.

Lawsuits

The bill allows any health care provider or employee of a health care facility or institution who suffers an ascertainable loss of money (presumably, from a workplace assault) to bring a Superior Court civil action for damages against the institution or facility that employs them (it appears that this provision conflicts with the state's workers' compensation law; see *Comment* below). The bill requires any award issued by the court in these cases to deduct the amount (1) of workers' compensation benefits the provider or employee received and (2) paid by the provider or employee's health insurance. If the provider or employee prevails in the suit, the bill also allows the court to award reasonable attorney's fees and costs.

The bill requires a health care provider or employee who brings one of these lawsuits to notify the health care facility or institution about the action. The notice must be written and delivered in person or by registered or certified mail.

Under the bill, a health care facility or institution that has paid or

must pay wages or expenses for medical or other services under these provisions may bring a Superior Court civil action to recover these costs from the person who committed the assault.

EFFECTIVE DATE: October 1, 2026

Comment

The lawsuit that the bill allows health care providers or employees to bring against their employers appears to conflict with the state's workers' compensation law. Under that law, an employer who provides workers' compensation coverage for its employees cannot be held liable for an action for damages on account of personal injury sustained by employees arising out of and in the course of their employment. In addition, all rights and claims between such an employer and employees arising out of personal injury or death sustained in the course of employment are abolished other than rights and claims allowed under the workers' compensation law (CGS § 31-284).

§ 2 — TEACHER OR OTHER EMPLOYEE INJURY PAYMENTS

Broadens the definition of assault on educational employees or board members that triggers the existing requirement for the employer to pay for any financial loss (after counting workers' compensation, health insurance, or other sources) the person experiences; expands eligibility for salary replacement when an employee misses work due to the injury or a court appearance related to an assault

By law, if a teacher, board member, or other employee of a school district or certain state institutions or agencies is assaulted while performing their duties and suffers a financial loss or expense, then the employer must generally cover those losses and expenses. These include reasonable medical or other service expenses the injured person incurred, but that were not covered by insurance, workers' compensation, or another outside source. The bill expands these provisions to cover "any physical or negligent assault."

Generally, under the state's criminal statutes, assault requires a physical injury caused by intentional or reckless actions (see below).

The law, unchanged by the bill, generally applies to boards of education, the State Board of Education, the Board of Regents for Higher

Education (BOR), the UConn Board of Trustees (BOT), and each state agency that employs any teacher. These employers must hold harmless from any financial loss any teacher, other employee, or board member, including student teachers and any faculty, staff, or student employed by UConn Health Center or health services.

Assault

Under the state's criminal statutes, unchanged by the bill, third degree assault occurs when a person (1) intends to physically injure someone and injures that person or someone else; (2) recklessly causes serious physical injury to another person; or (3) with criminal negligence, physically injures someone with a deadly weapon, a dangerous instrument, or an electronic defense weapon (CGS § 53a-61). First degree and second degree assault are similar in that the crime involves physical injury due to intentional or reckless actions (although there are factors that heighten the crime in these instances) (CGS §§ 53a-59 & -60).

The bill does not define "physical or negligent assault." Under the bill's use of "physical or negligent" assault, it is unclear (1) if a physical injury must occur; (2) what level of negligence triggers the bill's provisions (for example, criminal negligence as used in the state's third degree assault statute); or (3) if intent is necessary.

Salary Replacement and Time Off

Additionally, under current law, any teacher or employee absent from employment due to an injury from an assault or for a court appearance related to the assault must continue to receive their full salary minus any workers' compensation payments. The bill expands this provision to apply to any assault (it is not clear if it must be a work-related assault) and explicitly expands it to include board members. Regarding the compensation that is protected, the bill includes contracted weekly wages, in addition to salary.

Existing law also prohibits deducting a teacher's or employee's sick, personal, or vacation days for these court appearances. The bill expands

this provision to (1) explicitly cover board members and (2) protect other accrued leave.

It also makes minor, conforming, and technical changes.

EFFECTIVE DATE: July 1, 2026

§ 3 — PATIENT VIOLENCE REPORTING

Requires DPH to issue guidance on implementing a system (1) for certain health care providers to report incidences of patient violence to the statewide health information exchange and (2) to notify these providers when they have scheduled visits with patients who have a documented history of these incidences

The bill requires the Department of Public Health (DPH), by July 1, 2027, to issue guidance on implementing a system (1) for health care providers to report incidences of violence that a patient directs at a provider to the Statewide Health Information Exchange (known as “Connie”) and (2) that alerts providers when they accept a new patient or have a scheduled visit with an existing patient who has a documented history of any of those incidences. Under the bill, the guidance applies to health care providers with an electronic health record system capable of connecting to and participating in Connie.

EFFECTIVE DATE: October 1, 2026

Background — Related Bill

HB 5169 (File 38), favorably reported by the Public Health Committee, requires (1) DPH to develop a system for providers to report incidences of patient violence or combative behavior to Connie and (2) providers to document these incidences in the system starting January 1, 2027.

§ 4 — EMPLOYMENT PROMISSORY NOTES

Brings all employers under a law that generally prohibits requiring employees to sign an agreement that requires the employee to repay the employer if he or she does not stay at the job for a certain duration

This bill brings all employers under a law that generally prohibits requiring employees to execute an agreement that requires the employee to repay the employer if he or she does not stay at the job for a certain duration, including when the repayment is reimbursement for

training. Current law applies this prohibition to employers that have at least 26 employees. The bill expands the prohibition to cover all employers, regardless of their size, for instruments or agreements executed on or after October 1, 2026.

More specifically, the law prohibits the covered employers from requiring an employee or prospective employee to execute an employment promissory note as a condition of employment. An “employment promissory note” is an instrument or agreement that requires an employee to pay the employer, or its agent or assignee, if the employee leaves employment before a set amount of time. This includes instruments or agreements stating that the payment is reimbursement for employee training. However, the law specifically exempts contract provisions allowing employers to recoup certain expenses, such as any money advanced to the employee.

For employers brought under the law by the bill, as with employers currently covered by the law, an employment promissory note executed as a condition of employment is void, but if the note is part of an employment agreement its invalidity does not affect the agreement’s other provisions.

EFFECTIVE DATE: October 1, 2026

Background — Related Bill

sHB 5244, reported favorably by the Commerce Committee, allows employment promissory notes between an employer and employee for the repayment of any federal H-1B visa fees the employer paid on the employee’s behalf.

§ 5 — SUB-MINIMUM WAGE TASK FORCE

Creates a task force to study additional services, funding, and benefits that may support people with disabilities who earn less than the minimum wage

This bill creates a task force to study additional services, funding, and benefits that may support people with disabilities who earn less than the minimum wage, as allowed under a federal “14(c) certificate” (see *Background – Federal 14(c) Certificates*). The task force must (1) examine

the potential benefits and existing impediments to the state’s use of those additional services and (2) make recommendations on funding sources and benefits the state can provide.

Under the bill, the task force consists of the following officials or their designees: (1) the Labor and Public Employees and Human Services committees’ chairpersons and ranking members and (2) the commissioners of aging and disability services, labor, developmental services, and administrative services.

The task force also has six appointed members, as shown in the table below. At least two appointees must be a parent of someone with disabilities who earns less than the minimum wage under a federal 14(c) certificate. Any of the appointed members may be state legislators. All initial appointments to the task force must be made within 30 days after the bill takes effect, and any vacancy must be filled by the appointing authority.

Table: Appointed Task Force Members

<i>Appointing Authority</i>	<i>Appointee’s Qualifications</i>
House speaker	Expertise in hiring persons with disabilities
Senate president pro tempore	Member of an organization that advocates for persons with disabilities
House majority leader	None specified
Senate majority leader	
House minority leader	
Senate minority leader	

Under the bill, the Labor and Public Employees Committee’s chairpersons, or their designees, serve as the task force’s chairpersons, and must schedule and hold its first meeting within 60 days after the bill takes effect. The committee’s administrative staff also serves in that capacity for the task force.

The bill requires the task force to submit a report of its findings and recommendations to the Labor and Public Employees Committee by January 1, 2028. The task force ends on that date or when it submits the

report, whichever is later.

EFFECTIVE DATE: Upon passage

Background — Federal 14(c) Certificates

Section 14(c) of the federal Fair Labor Standards Act allows employers to pay wages below the federal minimum wage to workers who have disabilities for the work being performed, but only after receiving a certificate from the U.S. Department of Labor’s Wage and Hour Division.

§ 6 — HEALTH CARE WORKER PARKING VIOLATIONS

Creates an affirmative defense for health care providers in municipal parking violation hearings

The bill creates an affirmative defense in municipal parking violation hearings for any health care provider who was issued the violation during his or her shift, as long as it was not issued (1) while the provider was at a health care facility or institution or (2) for a public safety violation such as blocking a fire hydrant, sidewalk, or handicap ramp. In general, an affirmative defense allows a defendant to introduce evidence, which, if found credible, will negate liability, even if the defendant committed the alleged acts.

Under this provision, a “health care provider” is anyone employed by or acting on behalf of a health care facility or institution. A “health care facility or institution” is a hospital, nursing home, rest home, home health care agency, home health aide agency, emergency medical services organization, assisted living services agency, or outpatient surgical facility, or an educational institution’s infirmary.

EFFECTIVE DATE: October 1, 2026

Background — Related Bill

HB 5238, reported favorably by the Transportation Committee, requires the emergency services and public protection commissioner to establish a working group to study and make recommendations on the parking access challenges home health care service providers face while

delivering services in residential settings.

§ 7 — MINIMUM WAGE AT CANNABIS ESTABLISHMENTS

Prohibits the labor commissioner from counting tips as part of the state's minimum wage requirement for employees of cannabis establishments, dispensaries, or producers

The bill explicitly prohibits the labor commissioner from counting tips as part of the state's minimum wage requirement for employees of cannabis establishments, dispensaries, or producers. It also specifies that any cannabis establishment, dispensary, or producer that pays an employee less than the state minimum wage is violating the minimum wage law.

The state's existing "tip credit" law, unchanged by the bill, generally allows employers to pay less than the minimum wage to bartenders and hotel and restaurant staff who customarily and regularly receive tips, as long as their tips make up the difference (CGS § 31-60(b)).

§ 8 — PORTAL-TO-PORTAL WORKERS' COMPENSATION FOR PUBLIC WORKS DEPARTMENT EMPLOYEES

Extends "portal-to-portal" workers' compensation coverage to public works department employees under certain circumstances, such as when they are responding to a direct order to appear at work when nonessential employees are excused from working

This bill extends "portal-to-portal" workers' compensation coverage to public works department employees in three situations: (1) when they are subject to emergency calls while off duty by the terms of their employment, (2) when they are responding to a direct order to appear at their work assignment when nonessential employees are excused from working, or (3) after working two or more mandatory overtime shifts on consecutive days.

With "portal-to-portal" coverage, an injury that occurs while the employee is traveling directly between his or her home and workplace

is deemed to have occurred in the course of the employee's employment, making him or her eligible to receive workers' compensation benefits for the injury. Under the bill, a "public works department" is a state or municipal department responsible for building, regulating, or maintaining all things in the nature of public works and improvements.

Existing law gives 9-1-1 emergency dispatchers portal-to-portal coverage under the same conditions the bill applies to public works department employees. The law also gives portal-to-portal coverage to (1) Department of Correction employees when they are responding to a direct order to appear at their work assignment when nonessential employees are excused from working or after they have worked two or more mandatory overtime shifts on consecutive days and (2) police officers and firefighters whenever they are traveling directly between home and work.

§ 9 — TEACHER TERMINATIONS

Sets a standard of review for when a public school teacher is terminated; changes who makes the final decision when a tenured teacher is under consideration for termination and requests a hearing; changes the court's review standards for appeals of teacher termination decisions

The bill makes changes to the process for terminating public school teachers. It sets a standard of review for when a nontenured or tenured public school teacher is terminated for the reasons allowed by existing law (inefficiency, incompetence, insubordination, moral misconduct, disability, elimination of a position to another teacher, or other due and sufficient reasons). Current law does not specify a standard of review for these terminations. The bill requires the standard of review to be the same standard applied in other disciplinary actions under the teacher's collective bargaining agreement. This permits the standard to be

determined through the collective bargaining process.

The bill also changes who makes the final decision when a tenured teacher is under consideration for termination and requests a hearing. Current law generally allows such a teacher to request a hearing before either a board of education (BOE) subcommittee or an impartial hearing officer. The bill eliminates the option for the hearing before a BOE subcommittee. Under current law, the subcommittee or hearing officer must submit its findings and a recommendation to the BOE, which then makes a final decision on the termination. The bill instead requires the hearing officer to make the final disposition, and makes it binding on the parties.

Current law allows teachers aggrieved by a BOE's termination decision to appeal to the Superior Court, and requires the court to review the proceedings under the Uniform Administrative Procedure Act's (UAPA) standards for reviewing appeals of agency decisions. The bill instead allows teachers or BOEs aggrieved by a hearing officer's decision to apply to the court to confirm, vacate, or modify the decision under the laws for court consideration of arbitration awards. It also makes various minor and conforming changes.

EFFECTIVE DATE: July 1, 2026

Court Review Standards for Appeals

Current law generally requires a court considering an appeal of a teacher's termination under the UAPA standards to affirm the decision unless it finds that substantial rights of the teacher have been prejudiced because the findings, inferences, conclusions, or decisions (1) violate constitutional or statutory provisions; (2) exceed statutory authority; or (3) were (a) made using an unlawful procedure, (b) affected by another error of law, (c) clearly erroneous, or (d) arbitrary or capricious.

The bill instead requires a court to consider an appeal from either a teacher or the BOE under the statutory standards for appeals of arbitration awards. Under these standards, a court must confirm an award unless it vacates or modifies it (CGS § 52-417). The court

generally must vacate an award if (1) it was made through corruption, fraud or undue means; (2) it was evident the arbitrator was partial or corrupt; (3) the arbitrator was guilty of misconduct by refusing to postpone the hearing or in refusing to hear pertinent and material evidence; or (4) the arbitrator exceeded his or her powers, or so imperfectly executed them that a mutual, final, and definite award was not made (CGS § 52-418).

Under these same standards, a court must modify an award if (1) there was an evident material miscalculation of figures or an evident material mistake in the description of something referred to in the award; (2) the arbitrator awarded for a matter not submitted for arbitration, unless it does not affect the merits of the decision; or (3) the award is imperfect in matter of form not affecting the merits of the controversy (CGS § 52-419).

Current law prohibits a court from awarding costs to a teacher appealing his or her termination unless it finds that the BOE acted with gross negligence, in bad faith, or with malice in its original decision. The bill removes this limitation, and the arbitration standards used under the bill do not explicitly allow costs to be awarded to either party.

Background — Related Bill

sSB 351, reported favorably by the Labor and Public Employees Committee, is substantially similar to this provision.

§ 10 — RETENTION OF SERVICE CONTRACT WORKERS

Requires entities that take over certain contracts at covered locations, contract out services, or receive property in a sale or transfer to retain their predecessors' employees and service workers for at least 90 days

The bill requires entities that (1) take over certain service contracts at covered locations, (2) contract out services, or (3) receive property in a sale or transfer to retain certain service workers from their predecessors for at least 90 days. If a worker's performance is satisfactory during these 90 days, then the successor employer must extend them an offer of continued employment either under terms and conditions the successor employer creates or by law. Existing law already provides

similar protections to employees performing food and beverage services at Bradley International Airport (BIA) after a contract termination.

The bill imposes responsibilities on the authority (at BIA or other covered locations) that initially awards the contract, the original contractor, and successor employers of two or more people. Current law imposes these responsibilities on the authority that initially awards the contract, the original contractor, and successor contractors who have 10 or more employees.

The bill extends existing provisions to the new circumstances covered by the bill, such as those requiring advance notice to (1) a contractor whose contract will be terminated or not renewed, (2) workers, and (3) the union representing the workers.

The bill permits workers who are displaced or terminated in violation of the bill to file a complaint with the labor commissioner (currently BIA workers can sue in court). It requires the labor commissioner to hold a hearing and permits the commissioner to award the employee or service worker back pay, benefits, reinstatement to their former position at their most recent salary and benefit level, and compensatory damages.

The bill also makes conforming and technical changes.

EFFECTIVE DATE: October 1, 2026

Scope of the Bill

The bill expands the application of the law providing certain job protections to BIA food and beverage workers to contracts for services by service workers at covered locations. Under the bill, a service worker is a person performing certain services under a successor service contract, including:

1. care or maintenance services, including a security guard, front-desk worker, janitor, housekeeper, maintenance employee, concierge, door attendant, building superintendent, grounds maintenance worker, stationary fireman, elevator operator, or

- window cleaner;
2. passenger-related security services, cargo and in-ramp services, in-terminal passenger and baggage handling, and cleaning services at an airport;
 3. food preparation or dietary services at a school, private higher education institution, hospital, nursing home facility, or institution operated or managed by an assisted living services agency;
 4. health care services provided at a hospital, nursing home facility, or institution operated or managed by an assisted living services agency; and
 5. student transportation services.

Under the bill, a service worker is not a person who is (1) a managerial, supervisory, or confidential employee under the federal Fair Labor Standards Act, or (2) engaged to perform services related to a project that requires a permit from a municipality, such as a building, mechanical, plumbing, structural, or electrical project.

The services must be provided at “covered locations,” which are:

1. multi-family residential buildings or complexes with 50 or more units;
2. commercial centers or complexes over 75,000 square feet;
3. municipal office buildings or facilities;
4. electric or natural gas company facilities;
5. public or nonpublic schools;
6. cultural centers or complexes, such as museums, convention centers, arenas, or performance halls;
7. shopping malls or bank branches;

8. industrial sites;
9. pharmaceutical labs,
10. airports or train stations;
11. hospitals, nursing homes, or institutions operated or managed by assisted living services agencies;
12. warehouses, distribution centers, or other facilities that store or distribute general merchandise, refrigerated goods, or other products;
13. private higher education institutions;
14. property owned by a carrier (a local or regional school district, educational institution providing elementary or secondary education, someone under contract with them to transport students, or someone primarily transporting people under age 21 for pay) to transport students or for related services; and
15. data centers.

Definitions of Various Medical Facilities

The bill defines a hospital as an establishment for the lodging, care, and treatment of persons suffering from disease or other abnormal physical or mental conditions. It includes inpatient psychiatric services in general hospitals.

Under the bill, a nursing home facility is any chronic and convalescent nursing home (1) with nursing supervision that provides nursing supervision under a medical director 24 hours per day, or rest home with this supervision; or (2) that provides skilled nursing care under medical supervision and direction to carry out non-surgical treatment and dietary procedures for chronic diseases, convalescent stages, acute diseases, or injuries.

The bill defines an assisted living services agency as an agency that

provides chronic and stable individuals with nursing services and assistance with activities of daily living. It may have a dementia special care unit or program.

Awarding Authority

Existing law defines an awarding authority as any person that awards or enters into a contract to perform food and beverage services at BIA. The bill extends this to anyone who awards or enters into a contract to perform services at a covered location starting October 1, 2026. The bill specifies that the state and federal government are not awarding authorities.

Successor Employer

The bill defines a “successor employer” as an (1) employer that has been awarded a successor service contract, (2) employer that has purchased or acquired control of a property where employees or service workers were employed at any time during the past 90 days, or (3) awarding authority that has hired employees or service workers to perform services that are substantially the same as those previously provided under a terminated or non-renewed service contract.

The bill extends the definitions of successor service contracts and terminated contractors to cover the scope of the circumstances added by the bill.

Awarding Authority’s Responsibilities

The bill generally extends existing responsibilities of awarding authorities to the new situations covered by the bill. The awarding authority must give advance notice to a contractor whose contract will be terminated or not renewed, the workers, and the union representing them within 15 days of the termination of the service contract, the contracting out of services previously performed by the authority, or the sale or transfer of the property (if workers were employed there within the prior 90 days). Under the bill, and existing law for eligible BIA workers, the authority must give the contractor and union the name, address, and telephone number of the successor employer or

contractors, if known. The bill requires this notice in writing and posted in a conspicuous place. Under the bill and existing law for eligible BIA workers, authorities must also give new employers information about the workers.

Responsibilities of Successor Employers

The bill generally extends existing responsibilities of successor employers to the new situations covered by the bill. A successor employer must hand deliver a written employment offer to the workers. It must be written in a language the worker understands. As under current law, it must be delivered by the later of five days before the termination of the original contract or 15 days before the contractor begins to provide service. The bill also requires this notice five days before the sale or transfer of a covered location where workers were employed during the previous 90 days. Existing law already requires successor contractors to deliver this written offer to each eligible BIA employee within this timeframe.

The bill, and existing law for eligible BIA workers, specify the notice's content. Among other things, the employer must inform the worker of pay rate, hours (per shift and per week), and benefits it is offering. The notice must describe the worker's rights under the bill and the employer's name, address, and telephone number. It must state that the employee or service worker has 10 days to respond. Under the bill, the notice also must inform the employee or service worker that they are allowed to file a complaint with the labor commissioner. Current law requires successor contractors to inform BIA employees, in the notice, that they have the right to sue the successor contractor.

Under the bill, and existing law for eligible BIA workers, a worker cannot be fired during a 90-day period without just cause. The bill gives this protection to workers who were employed during the prior 90 days (for BIA workers it reduces this timeframe from the previous six months). As under existing law for BIA workers, the bill requires contractors, during these 90 days, to keep a preferential hiring list of workers eligible for retention that it did not initially retain. (It is not clear

which employees or service workers would be affected by this provision.) The contractor must hire additional employees or service workers, if needed, from this list.

Under the bill and existing law for BIA workers, the contractor may determine at any time that it needs fewer employees or service workers than the terminated contractor had and can lay them off. In doing so, it must retain employees by seniority within each job class, based on an employee's total length of service at the affected site.

The bill eliminates a provision applicable to BIA workers that a successor contractor is not required to retain employees with attendance and performance records under the prior contract that would lead a reasonably prudent employer to terminate the person.

Remedies for a Displaced Employee or Service Worker

Under the bill, a worker displaced or terminated in violation of the above provisions can file a complaint with the labor commissioner, who must hold a hearing on receipt of the complaint. It requires the labor commissioner to send each party a written copy of her decision after the hearing. If the commissioner decides that the awarding authority, terminated contractor, or successor employer has violated the above provisions, she may award the employee or service worker back pay, benefits, reinstatement to their former position at their most recent salary and benefit level, and compensatory damages.

As under existing law for BIA workers, the bill requires that back pay be based on at least the higher of (1) the worker's regular pay rate for their last year on the job (their last four months on the job if they were employed for less than one year), or (2) their final regular rate of pay on their last day.

Under the bill, an aggrieved party is allowed to appeal the labor commissioner's decision to the Superior Court.

The bill eliminates current law which permits (1) a BIA employee to bring suit in the Superior Court and (2) courts to award back pay,

reasonable attorney fees, and costs if the aggrieved employee prevails.

As under current law for eligible BIA workers, these provisions do not limit a worker's right to file suit against the awarding authority, terminated contractor, or successor employer for wrongful termination under common law.

Under the bill, an awarding authority, terminated contractor, or successor employer who violates the above provisions must pay a penalty of \$500 per employee or service worker for each day the violation continues. This replaces current law which requires an awarding authority or contractor in violation of these provisions related to BIA workers to pay a penalty of \$100 per employee for each day the violation continues.

Background — Related Bill

sSB 358, favorably reported by the Labor and Public Employees Committee, contains an identical provision on the retention of service contract workers.

§§ 11 & 12 — HEALTH INSURANCE COVERAGE FOR SURVIVORS OF CERTAIN FIREFIGHTERS AND STATE MARSHALS

Requires nonstate public employers to provide partnership plan coverage to survivors of certain unpaid volunteer firefighters; allows survivors of certain unpaid volunteer firefighters or state marshals to participate in the state employee health insurance plan

The bill extends (1) nonstate public employer "partnership plan" health care coverage to the survivors of certain unpaid volunteer firefighters and (2) state employee health insurance coverage to the survivors of certain unpaid volunteer firefighters and state marshals.

Partnership Plan Coverage (§ 11)

By law, the comptroller must offer partnership plan coverage to nonstate public employers (for example, municipalities and other political subdivisions of the state) and nonprofit employers.

As required under existing law for first responders, the bill requires a nonstate public employer that provided coverage under a partnership plan to an unpaid volunteer firefighter who is killed in the line of duty

to continue to provide the coverage to the survivors who were covered under the plan at the time of the unpaid volunteer firefighter's death. The coverage must continue for one year after the death and may be renewed annually for up to five years. The nonstate public employer must help with the coverage continuation and renewal. "Unpaid volunteer firefighters" are uniformed members of a fire department who perform firefighting duties for the department but are not paid.

Under the bill, as required under existing law for first responders, a nonstate public employer that did not provide coverage under a partnership plan to an unpaid volunteer firefighter who is killed in the line of duty must apply for partnership plan coverage for, and at the request of, the survivors who were receiving health care benefit coverage through a plan offered to the unpaid volunteer firefighter at the time of death.

By law, the comptroller must accept the application on the terms and conditions applicable to the partnership plan for enrolling and covering the survivors for one year. The enrollment and coverage may be renewed annually for up to five years. The nonstate public employer must help with enrollment and coverage initiation and renewal.

By law, the state comptroller must use the Fallen Hero Fund to reimburse nonstate public employers for payments made for partnership plan coverage for survivors of first responders (emergency medical technicians, paramedics, police officers, or paid firefighters) (CGS § 3-123eee(c)(2)). Under the bill, the comptroller must similarly use the Fallen Hero Fund to reimburse nonstate public employers for payments made for partnership plan coverage for survivors of unpaid volunteer firefighters.

State Employee Health Insurance Plan (§ 12)

The bill requires the state comptroller, with approval from the attorney general and the insurance commissioner, to allow the surviving spouse and dependent children of a state marshal or unpaid volunteer firefighter to participate in the state employee health insurance plan. To

be eligible, the (1) unpaid volunteer firefighter must die as the result of injuries received while acting in the scope of the unpaid volunteer firefighter's employment and not because of illness or natural causes, (2) state marshal must die as the result of injuries received while performing state-compensated duties and not because of illness or natural causes, and (3) surviving spouse and dependent children cannot otherwise be eligible for a group hospitalization and medical and surgical insurance plan.

EFFECTIVE DATE: Upon passage

Background — Related Bills

sHB 5403, favorably reported by the Public Safety and Security Committee, among other things, similarly requires health care coverage to be extended to the survivors of unpaid volunteer firefighters and state marshals. The bill (1) requires nonstate public employers to either continue providing partnership plan coverage to survivors of the unpaid volunteer firefighter or, if they were not providing coverage, apply for coverage through a partnership plan, and (2) requires the comptroller to allow the surviving spouse and any dependent children of state marshals to participate in the state employee health insurance plan.

sSB 410, favorably reported by the Public Safety and Security Committee, expands the Fallen Hero Fund to provide compensation for firefighter cancer deaths. It also requires nonstate public employers to provide partnership plan benefits to survivors of first responders that die due to certain cancers. These employers must be reimbursed from the firefighters cancer relief account instead of the Fallen Hero Fund.

§§ 13-15 — PUBLIC EMPLOYEE PAYROLL DEDUCTION OF UNION DUES

Conforms the state's public sector collective bargaining laws to federal case law by removing provisions that could require public employees who were covered by a CBA, but not dues paying members of the union, to pay other fees instead of union dues

This bill conforms the state's public sector collective bargaining laws to federal case law, which generally prohibits public sector collective

bargaining agreements (CBAs) from requiring public employees who were covered by a CBA, but not dues paying members of the union, to pay other fees instead of union dues (*Janus v. American Federation of State, County, and Municipal Employees, Council 31*, 585 U.S. 878 (2018)).

Current state law allows state employees and municipal employees to negotiate CBA provisions that “call for” a payroll deduction of an employee’s union dues and initiation fees. The bill instead specifies that these provisions can allow them to choose to have the dues and fees paid through payroll deductions.

For public school teachers, current state law generally specifies that the collective bargaining law does not preclude their CBAs from requiring that union dues and service fees (fees paid by teachers who do not join the union) be collected by payroll deduction. The bill instead specifies that the parties may negotiate CBA provisions that allow the teachers to choose to have their dues and initiation (rather than service) fees paid through payroll deductions.

§§ 16-19 — FIRST RESPONDER TUITION REIMBURSEMENT AND MORTGAGE PROGRAM

Requires UConn, CT State, and CSUS to waive tuition for certain first responders and requires CHFA to develop and administer a mortgage assistance program for first responders

The bill directs the BOR and the UConn BOT, as applicable, to waive undergraduate tuition at Connecticut State Community College (CT State), the Connecticut State University System (CSUS), and UConn for:

1. any police officer who has been employed as a police officer in Connecticut for at least five years;
2. any uniformed member of a paid or volunteer fire department, including fire departments operated by a federally recognized Connecticut Indian tribe, who, as documented by the chief of the department, has served as a firefighter in Connecticut for at least five years; and

3. any emergency medical services personnel (an individual certified to practice as an emergency medical responder, emergency medical technician, advanced emergency medical technician, emergency medical services instructor, or an individual licensed as a paramedic) who has been employed as such in Connecticut for at least five years.

For UConn and CSUS, graduate degree program tuition is additionally waived.

The bill also requires CT State and CSUS to waive tuition for students attending a state or regional fire school who are enrolled in a program offered together with an institution that accredits courses in the program. For CSUS, only tuition fees for undergraduate and graduate programs are waived.

Additionally, the bill requires the Connecticut Housing Finance Authority (CHFA) to develop and administer mortgage assistance programs for certain Connecticut first responders, which under the bill includes police officers (see *Background – Definition of Police Officer*), uniform members of a paid or volunteer fire department, and emergency medical services personnel (see above). In doing so, CHFA (1) must use down payment assistance or any other appropriate housing subsidies and (2) may allow the mortgagee to realize a reasonable portion of the property's equity gain when it is sold.

EFFECTIVE DATE: July 1, 2026, except the mortgage assistance program provision is effective October 1, 2026.

Background — Definition of Police Officer

By law, police officers are sworn members of an organized local police department or of the Division of State Police within the Department of Emergency Services and Public Protection (DESPP), appointed constables who perform criminal law enforcement duties, special appointed policemen, or any member of a law enforcement unit who performs police duties.

Background — Related Bill

sHB 5046, reported favorably by the Public Safety and Security Committee, among other things, has substantially similar provisions.

§ 20 — PLAN TO PROMOTE THE LAW ENFORCEMENT PROFESSION

By January 1, 2027, requires DESPP, in consultation with certain entities, to develop, coordinate, and implement a plan to promote the law enforcement profession

The bill requires the DESPP commissioner, by January 1, 2027, to develop, coordinate, and implement a plan to promote the law enforcement profession using a variety of media, including social media. In doing so, he must consult with the Connecticut Police Chiefs Association, in-state higher education institutions, and any other entities he deems appropriate.

EFFECTIVE DATE: July 1, 2026

§ 21 — PLAN TO PROMOTE THE FIREFIGHTER PROFESSION

By January 1, 2027, requires the Office of the State Fire Marshal, in consultation with certain entities, to develop, coordinate, and implement a plan to promote the firefighter profession

The bill requires the Department of Administrative Services' (DAS) Office of the State Fire Marshal, by January 1, 2027, to develop, coordinate, and implement a plan to promote the firefighter profession using a variety of media, including social media. In doing so, the office must consult with the Connecticut Fire Chiefs Association, in-state higher education institutions, and any other entities the DAS commissioner deems appropriate.

EFFECTIVE DATE: July 1, 2026.

§ 22 — CRISIS INITIATIVE EXPANSION

Expands the CRISIS Initiative throughout Connecticut

The bill requires the State Police, in conjunction with the Department of Mental Health and Addiction Services (DMHAS), to expand the CRISIS Initiative pilot program throughout the state by January 1, 2027. This expanded program must at least include the pilot program's components that require state police officer training, coordination

between state police officers and mental health professionals, and referrals to mental health services facilities.

EFFECTIVE DATE: Upon passage

Background — CRISIS Initiative Pilot Program

The CRISIS Initiative pilot program has generally established procedures among specific State Police and DMHAS personnel for referring and handling incidents involving individuals with addiction disorders or mental health conditions as well as other crisis incidents. The program began in 2017 with DMHAS assigning a full-time licensed clinician social worker to State Police Troop E, which generally covers southeast Connecticut and is based out of Montville. The 2021 budget implementer expanded the program to Troop D, which generally covers northeast Connecticut and is based out of Killingly (PA 21-2, June Special Session, § 75).

Background — Related Bill

SB 374, favorably reported by the Public Safety and Security Committee, also requires the expansion of the CRISIS Initiative throughout the state, but without specifying the required components.

§ 23 — DEFERRED RETIREMENT OPTION PLAN FOR NON-CMERS MUNICIPALITIES

Allows municipalities that do not participate in CMERS to create a deferred retirement option plan for their employees

Starting October 1, 2026, the bill allows any municipality that does not participate in the Connecticut Municipal Employees Retirement System (CMERS) to create a deferred retirement option plan (DROP) for its employees. The plan must allow employees who are eligible for a service retirement to participate in it. In general, a DROP is an arrangement under which an employee continues working even though they are eligible to retire and receive pension benefits. But instead of having the continued compensation and additional years of service counted toward the pension benefit, the employer deposits funds into a separate DROP account during each year of the continued employment, which earns interest or investment earnings, and is paid to the employee

upon retirement instead of the increased pension amount.

Under the bill, a DROP must include a fixed period for member participation, up to five years, and a specified interest rate credit for member accounts. All of its other provisions must be determined by the municipality, as long as the actuary that consults on the municipality's retirement plan certifies that the DROP's structure has no anticipated impact that would increase municipal contribution rates (presumably, to the regular retirement plan). The bill also requires the municipality, within four years after creating the DROP, to (1) have the plan evaluated by the consulting actuary and (2) review and assess the evaluation to determine the plan's cost to its fund. After receiving the evaluation, the municipality may discontinue the plan.

§ 24 — HOMECARE EMPLOYEE ACCESS TO VIRTUAL MONITORING EVIDENCE

Generally allows homecare employees in state-administered homecare programs to access evidence from virtual monitoring technology if it will be used in a disciplinary action against them

The bill requires that when certain homecare employees in state-administered homecare programs are subject to a proposed disciplinary action, they or their union representatives have access to any evidence that comes from virtual monitoring technology, as long as certain conditions are met. Under the bill, "virtual monitoring technology" is remote monitoring of a person receiving direct care services in a home or community-based setting by a third-party using technology owned and operated by the person in the person's living quarters.

The employees covered by the bill's provisions are those of (1) nonprofit organizations that contract with the departments of Social Services (DSS) or Developmental Services (DDS) to deliver direct care services or (2) a contractor providing those services. "Direct care services" are services provided in a home or community-based setting to someone enrolled in a program administered by DSS or DDS.

Under the bill, employees or their union representatives who have

access to evidence from virtual monitoring technology must (1) treat any recordings or images obtained from it as confidential and not share them with anyone else unless required by law and (2) return any copy of recordings or images used in the disciplinary action to DSS, DDS, or the person who provided the copy once it is no longer needed to defend the employee in the action.

EFFECTIVE DATE: July 1, 2026

§ 25 — PCA FISCAL INTERMEDIARY REPORTS

Requires DSS to quarterly post information related to the fiscal intermediary that provides payroll and other services for DSS's self-directed home care programs, including information on PCA timesheets and certain contract violations

The bill requires DSS to post on its website quarterly reports related to the fiscal intermediary that contracts with the department to provide payroll, taxes, and administrative services for self-directed home care programs. These are Medicaid-funded programs that allow a consumer to hire a personal care attendant (PCA). Under the bill, DSS must also submit these reports to the Human Services and Labor and Public Employees committees.

The quarterly reports must include certain information to the extent it is not exempt from disclosure under the state's Freedom of Information Act, which exempts, among other things, personnel files and similar files if disclosure would be an invasion of personal privacy (CGS § 1-210). The bill requires reports to include:

1. the fiscal intermediary's most recent completed audited financial statements;
2. all budget, customer service telephone call center, and service level agreement reports;
3. the number of general customer service requests and average response time;
4. the number of telephone calls, voice mail messages, and email and text messages received from consumers and PCAs, how the

- fiscal intermediary responded to these messages, and how many were responded to in a contractually required period;
5. the number and amount of penalties levied, on a monthly and weekly basis, against the fiscal intermediary for contract violations for customer service request response times and PCA and consumer inquiry response times; and
 6. all PCA timesheet reports.

Under the bill, PCA timesheet reports include:

1. the number of weekly consumer approved timesheets submitted, and how many were submitted on time, resubmitted after correction, or paid on time;
2. the timesheet or payroll processing error rate; and
3. the number and amount of penalties levied, on a monthly and weekly basis, against the fiscal intermediary for violating contract provisions on timesheets.

Under the bill, this requirement begins with information from the quarter that began April 1, 2024. (The bill does not otherwise set a date by when DSS must begin posting the reports.)

EFFECTIVE DATE: July 1, 2026

§§ 26-32 — CRANES AND HOISTING EQUIPMENT

Expands the size of the Examining Board for Crane Operators, eliminates licensure and registration exemptions for people engaged in arboriculture, and changes the investigative and enforcement authority of the board and DAS

The bill makes several changes to the state's laws on cranes and hoisting equipment, including how they are regulated by DAS and the Examining Board for Crane Operators. Generally, it:

1. expands the size of the board by two members, from five to seven;
2. eliminates licensure and registration exemptions for people engaged in arboriculture (cultivating trees and shrubs); and
3. changes the department's and board's investigative and enforcement authority, such as by allowing stop work orders to be issued, increasing the maximum civil penalty for violations, and expanding who the penalty can be applied against to include equipment owners' lessees and contractors.

The bill also makes conforming and technical changes, including specifying that notices and hearings must be done according to the UAPA.

EFFECTIVE DATE: October 1, 2026

Examining Board for Crane Operators Membership Expansion (§ 27)

Under current law, the Examining Board for Crane Operators in DAS has five members, of which one must be a DAS employee, one must be a crane operator with at least 10 years of experience, one must represent crane owners' interests, and two must be public members. The bill expands the board's size by two members by adding a second crane operator who has the requisite experience and a second crane owners' representative. By law and under the bill, all board members are appointed by the governor and must be Connecticut residents.

Licensure and Registration Requirements for Arboriculturists (§§ 28 & 29)

Current law exempts several classes of people from the state's crane and hoisting equipment licensure and registration requirements. The bill eliminates these exemptions for people engaged in arboriculture.

Consequently, they will need to obtain the respective licenses or certificates of registration issued by the Examining Board for Crane Operators in order to (1) operate or permit the operation of a crane they own or (2) engage in, practice, or offer to perform the work of a hoisting equipment operator, hoisting equipment operator apprentice, crane operator, or crane operator apprentice (CGS §§ 29-223a(a) & 29-224(a)).

Changes to Investigating and Enforcing the State's Crane and Hoisting Equipment Laws (§§ 26 & 30-32)

The bill makes several changes to the investigative and enforcement authority of DAS and the Examining Board for Crane Operators, including to explicitly encompass lessees. Under the bill, a "lessee" is any individual or other legal entity that rents or leases a crane or hoisting equipment (§ 26).

Right of Entry for Investigation and Inspection (§ 30). Current law allows the DAS commissioner and its employees, while performing their duties and at all reasonable hours, to enter any premises where a crane or hoisting equipment is located to enforce the laws applicable to them. The bill limits this right of entry to premises where they have reason to believe a crane or hoisting equipment is located. It also specifies that they may require:

1. crane and hoisting equipment operators to produce their licenses for verification;
2. crane owners to produce their crane's certificate of registration for verification; and
3. crane and hoisting equipment operators, owners, and lessees to produce any document establishing an agreement they have with an individual or other legal entity to perform crane or hoisting work on the premises.

(Existing law already requires (1) crane and hoisting equipment operators to carry their licenses when operating their respective equipment and (2) cranes' certificates of registration to be affixed to

them in their principal operating location (CGS §§ 29-223a(a) & 29-224(a); Conn. Agencies Regs., § 29-223-5a(d)).)

Stop Work Orders (§§ 31 & 32). The bill allows the DAS commissioner and its employees to issue a stop work order against a crane or hoisting equipment owner, operator, or lessee, or their contractors performing crane or hoisting work, if either determines the owner, operator, lessee, or contractor has committed one or more of the following violations: (1) demonstrating incompetence or negligence; (2) permitting the operation of the owner's, operator's, or lessee's crane in an unsafe manner; or (3) failing to comply with the state's crane and hoisting equipment licensure and registration requirements.

Under the bill, a stop work order:

1. must require that the owner's, operator's, or lessee's crane, hoisting equipment, or related lifting operations stop at the place or premises where the violation was determined to have occurred;
2. must not require unrelated construction activities at the place or premises to stop unless they present an immediate danger to an individual or property;
3. is effective when served upon the owner, operator, or lessee and contractor by posting notice of the stop work order in a conspicuous location at the place or premises; and
4. remains in effect until the commissioner determines that the owner, operator, lessee, or contractor has resolved the violation and issues an order releasing the stop work order.

The bill allows anyone served with a stop work order to request an administrative hearing to contest it. The request must be made in writing to the commissioner within 10 days after being served, and the hearing must be conducted according to the UAPA.

Additionally, the bill requires the commissioner to (1) adopt

regulations to carry out the bill's stop work order provisions and (2) notify the Examining Board for Crane Operators of each stop work order issued and any violation of an issued order. If the board, after notice and hearing, finds that a crane or hoisting equipment owner or operator, lessee, or contractor violated a stop work order, the bill requires it to impose a fine of \$5,000 per day for each day the order was violated.

Suspensions, Revocations, and Penalties (§ 32). The bill modifies one of the circumstances when the Examining Board for Crane Operators may suspend or revoke a crane or hoisting equipment operator's license or an apprentice's certificate. Current law allows the board to do so after notice and hearing and a finding that the holder has been guilty of negligence in performing his or her work. The bill instead only requires a finding that the holder has demonstrated negligence in his or her work performance.

Additionally, the bill increases the existing maximum civil penalty against crane and hoisting equipment owners and operators for violating the state's crane and hoisting equipment laws from a fine of up to \$3,000 per violation to a fine of up to \$5,000 per violation per day. It also expands who this penalty may be applied against to include lessees and contractors. The bill specifies that penalties may only be imposed after notice and hearing and a finding that the owner, operator, or lessee violated the crane and hoisting equipment laws.

The bill also allows the board to impose a civil penalty of up to \$1,000 per violation per day on any crane or hoisting equipment owner, operator, or lessee after notice and hearing and upon a finding that the owner, operator, or lessee has operated, or allowed the operation of, his or her crane or hoisting equipment without a valid license or certificate of registration.

At any time after issuing a notice alleging a violation, the bill allows the board to accept an agreement instead of holding a hearing. It makes agreement negotiations confidential and exempt from disclosure under the state's Freedom of Information Act but makes the agreement itself a public record under the act.

Lastly, the bill allows the DAS commissioner to apply to Hartford Superior Court for the enforcement of any civil penalty imposed against any person who is not licensed as a crane or hoisting equipment operator or who has not obtained a registration of any crane for an order (1) directing payment in full of any unpaid balance of the civil penalty or (2) temporarily and permanently restraining and enjoining the person from performing or allowing the performance of the work of a crane or hoisting equipment operator. The application for an order, and for any other appropriate decree or process, must be brought, and the proceedings conducted, by the attorney general.

§ 33 — SCHOOL CONSTRUCTION GRANT BONUS FOR TECHNICAL EDUCATION SPACES OR VOCATIONAL AGRICULTURAL CENTERS

Creates a 10-percentage point reimbursement rate bonus in a school construction grant if a new or expanded building project includes a technical education space or vocational agricultural center

The bill creates a 10-percentage point reimbursement rate bonus in a school construction grant if a new or expanded building project includes a technical education space or vocational agricultural center. However, (1) a recipient's overall reimbursement rate cannot exceed 100%, (2) the bonus is for the part of the building primarily used for the technical education space or vocational agricultural center, and (3) the recipient must maintain the space or center for at least 10 years.

§ 34 — RESC AND CTECS SURVEY OF WORK-BASED LEARNING PROGRAMS

Requires each RESC and the CTECS executive director to survey their high school work-based learning programs to identify the need for new or enhanced programs

The bill requires, by July 1, 2027, each regional educational service center (RESC) and the Technical Education and Career System's (CTECS) executive director, in consultation with the state Department

of Education (SDE), to survey the high school work-based learning programs offered in each RESC's region and by CTECS to identify the need for new or enhanced programs. The survey must at least include (1) an inventory of work-based learning programs offered by local or regional boards of education and CTECS, (2) the number of students enrolled in these programs, and (3) the total cost to each school district and CTECS for each program. Under the bill, each RESC must develop and maintain its own survey procedure, and may conduct subsequent surveys as needed.

EFFECTIVE DATE: July 1, 2026

§ 35 — PRIVATE SECTOR EDUCATOR EXTERNSHIPS

Requires the creation of a pilot program for educator externships with private sector employers to align classroom instruction with current industry standards and workforce needs

The bill requires the education commissioner, by January 1, 2027, and in consultation with the Office of Workforce Strategy, to establish a two-year pilot program for educator externships for certified educators. The program must allow the educators to participate in experiential learning with private sector employers so they can align classroom instruction with current industry standards and workforce needs.

In developing the program, the commissioner must:

1. set criteria for (a) identifying and screening participating employers and (b) matching educators with externships based on subject matter relevance,
2. develop a curriculum that ensures that the learned skills are incorporated into the educator's future lesson plans, and
3. set eligibility for (a) stipends for educators completing an externship and (b) grants for participating employers.

The bill allows the commissioner to contract with nongovernmental entities, including nonprofit organizations, to implement the program.

For the 2027-28 and 2028-29 school years, the bill requires the commissioner to prioritize program placement for educators who (1) are employed in a town designated as an alliance district or (2) teach a topic related to science, technology, engineering and mathematics, manufacturing, or health care.

EFFECTIVE DATE: Upon passage

Background — Alliance Districts

By law, the education commissioner has designated 36 alliance districts for five years, beginning with FY 23. The current designation applies to (1) the 33 school districts with the lowest accountability index scores and (2) three previously designated districts that were no longer among the 33 with the lowest scores. The index is based on several student-centered measures, including statewide assessment results and high school graduation rates, among others.

§ 36 — REGIONAL WORKFORCE NAVIGATOR

Requires each of the state's regional workforce development boards to include a regional workforce navigator to help connect people in adult education programs with workforce opportunities

The bill requires each of the state's regional workforce development boards to include a regional workforce navigator appointed by the chief elected officials of the municipalities in each board's region (as the law also requires for the other board members). Under the bill, the navigator must coordinate with the boards, the Governor's Workforce Council, and the Department of Labor (DOL) to connect people in adult education programs with workforce opportunities such as internships, apprenticeships, job shadowing opportunities, and credentials offered in the state.

Under the bill, a "credential" is generally a documented award issued by an authorized body, such as a (1) diploma from a higher education institution or private career school; (2) certification awarded through an examination process designed to show the acquisition of certain knowledge, skill, and ability to do a specific job; (3) government-issued license that allows someone to practice a specific occupation; or (4)

documented completion of an apprenticeship or job training program.

EFFECTIVE DATE: October 1, 2026

§ 37 — DOL TRAINING ON ADULT EDUCATION PROGRAMS

Requires the (1) labor commissioner to develop a training on adult education programs in the state and (2) regional workforce navigators to have this training annually

The bill requires the DOL commissioner, in consultation with educational institutions, the regional workforce development boards, and the Governor's Workforce Council, to develop training on adult education programs in the state, including funding streams for the programs and performance measures to ensure informed collaboration. Under the bill, the training must be given annually to the regional workforce navigators (see § 36).

§ 38 — SDE STUDY OF CO-INSTRUCTION TEACHING MODELS

Requires SDE to study the effectiveness and benefits of co-instruction teaching models that allow non-certified people to teach alongside a certified teacher

The bill requires SDE to study the effectiveness and benefits of co-instruction teaching models used by public schools, including models that allow people who do not have a professional teaching certification to teach alongside a certified teacher. The department must submit the study's results to the Education Committee by January 1, 2027.

§§ 39 & 40 — REASONABLE ACCOMMODATION FOR CONDITIONS RELATED TO MENOPAUSE

Requires an employer to provide a reasonable accommodation for an employee with a menopause-related condition unless it would be an undue hardship for the employer to do so; requires CHRO to develop a related model workplace policy and education materials

The bill generally requires an employer to provide a reasonable accommodation for an employee with a menopause-related condition by making it a discriminatory practice not to unless it would be an undue hardship. By doing this, it allows an aggrieved person to file a complaint with the Commission on Human Rights and Opportunities

(CHRO) (CGS § 46a-82). The law already requires reasonable accommodations related to pregnancy.

By law, an “employer” includes the state, the state’s political subdivisions, and any person or employer with one or more employees (CGS § 46a-51).

The bill also requires (1) employers to notify employees of their rights under the bill and (2) CHRO to work with organizations advocating for people with menopause or related medical conditions to develop a model workplace policy on reasonable accommodations for menopause or related conditions and related education materials. CHRO must post the model policy and education materials on the commission’s website.

EFFECTIVE DATE: October 1, 2026

Discriminatory Practice

Under the bill, it is a discriminatory practice for an employer to:

1. fail or refuse to make a reasonable accommodation for a current or prospective employee for a condition related to menopause, unless the employer can demonstrate that it would be an undue hardship (see *Background – Undue Hardship*);
2. deny employment opportunities to a current or prospective employee if the denial is related to their request for a reasonable accommodation for a condition related to menopause; and
3. force a current or prospective employee with a condition related to menopause to accept a reasonable accommodation if they (a) do not have a known limitation related to their condition or (b) do not need a reasonable accommodation to complete duties essential to their job.

Employee Notification

The bill requires employers to give employees written notice of their right to be free from discrimination for menopause and related conditions, including the right to reasonable accommodations for

known limitations from these conditions. Existing law requires employers to give similar notice to employees about pregnancy, childbirth, and related conditions.

Under the bill, notice must be given to (1) new employees when they start work; (2) existing employees (presumably, within 120 days of the bill's effective date); and (3) any employee who notifies their employer of their menopause-related condition (within 10 days of their notification).

Background — Reasonable Accommodation

By law, “reasonable accommodations” include:

1. being allowed to sit while working,
2. more frequent or longer breaks,
3. periodic rest,
4. help with manual labor,
5. job restructuring,
6. light duty assignments,
7. modified work schedules,
8. temporary transfers to less strenuous or less hazardous work,
9. time off to recover from childbirth, or
10. break time and appropriate facilities for expressing breast milk.

Background — Undue Hardship

Under existing law, an “undue hardship” is an action requiring significant difficulty or expense when considering the accommodation's nature and cost, the employer's overall financial resources, the employer's size and facilities, and the effect on the employer's operations.

Background — Related Bill

SB 353, favorably reported by the Labor and Public Employees Committee, has identical provisions on reasonable accommodations in the workplace for employees with conditions related to menopause.

§ 41 — BREASTFEEDING AND EXPRESSING MILK IN THE WORKPLACE

Requires employers to provide a reasonable break time for an employee to express breast milk for the employee's nursing child or to breastfeed in the workplace as needed

This bill requires employers to provide a reasonable break time for an employee to express breastmilk for the employee's nursing child or to breastfeed at the workplace each time the employee needs to do so. Current law allows an employee to express breastmilk or breastfeed during her meal or break period.

Existing law, unchanged by the bill, requires an employer to make reasonable efforts to provide a room or location near the work area, except a toilet stall, that (1) is private, (2) has or is near a refrigerator or other employee-provided portable cold storage device, and (3) has access to an electrical outlet. This generally aligns with federal law that requires a reasonable break time and a private space other than a bathroom to express breast milk for up to one year after a child's birth (29 U.S.C. § 218d).

EFFECTIVE DATE: October 1, 2026

Background — Related Bill

SB 345, favorably reported by the Labor and Public Employees Committee, has an identical provision on breastfeeding and expressing milk in the workplace.

§ 42 — INCLEMENT WEATHER BUSINESS CLOSURES

Requires employers with at least 50 employees to make their best efforts to allow their employees to work remotely, if applicable, when their business is closed due to inclement weather; prohibits employers from requiring employees to use their accrued paid time off when working remotely in these instances

The bill requires employers with at least 50 employees in the state to make their best efforts to allow their employees to work remotely, if

applicable, when their place of business is closed due to inclement weather. It also prohibits these employers from requiring employees who can work remotely to use their sick leave, vacation time, personal leave, or other accrued leave when they are working remotely. (It is unclear whether these provisions apply to public sector employers, such as the state and municipalities, and how they would be enforced.)

EFFECTIVE DATE: October 1, 2026

§ 43 — HOSPITAL STAFFING COMMITTEES AND NURSE STAFFING PLANS

Requires hospital staffing committees to include at least two assistive personnel; expands the required content in biannual nurse staffing plan reports; requires hospitals to annually report nurse staffing plans to DPH and the department to post them online; requires DPH to issue orders for violations of mandatory limits on nurse overtime and for failing to implement nurse staffing plans approved by a majority of committee members; increases civil penalties for noncompliance with nurse staffing requirements

Hospital Staffing Committees

By law, hospitals must establish a hospital staffing committee to help prepare their annual nurse staffing plans. Committees must include a broad representation across hospital services and at least 50% of their membership must be direct care registered nurses (RNs) who work at the hospital.

The bill requires these committees' membership to also include at least two assistive personnel (non-licensed personnel who do specific delegated patient care activities).

Under the bill, when assistive personnel are members of a collective bargaining unit, a representative of that unit must select the assistive personnel who will participate on the committee, unless this would be barred by the National Labor Relations Act or the State Employee Relations Act.

If the assistive personnel are not members of a collective bargaining unit, the bill requires them to be selected through a process set by the hospital's direct care RNs.

The bill also deletes an obsolete provision that required hospital

staffing committees in existence prior to 2023 to get feedback from direct care RNs on the committee member selection process.

Hospital Nurse Staffing Plans

Existing law requires each hospital to report biannually (by each January 15 and July 15) to DPH whether it has complied in the past six months with at least 80% of its nurse staffing assignments in its nurse staffing plan. The bill requires the report to also include the date of each instance the hospital varied from the plan's staffing assignments and the unit where the variation occurred.

Additionally, the bill requires hospitals to annually report to DPH, starting by October 1, 2026, their nurse staffing plans, which the department must then post on the DPH website. Existing law already requires hospitals to annually report to DPH by each January 1 and July 1 on their prospective nurse staffing plans and certify that they are sufficient to provide adequate and appropriate patient care.

Noncompliance With Nurse Staffing Requirements

The bill requires the DPH commissioner to issue an order if a hospital fails to (1) comply with existing law's mandatory limits on nurse overtime in hospitals or (2) implement a nurse staffing plan approved by a majority of the hospital staffing committee's members.

Existing law already requires the commissioner to issue an order if a hospital fails to (1) establish or maintain a hospital staffing committee, (2) submit a biannual compliance report to DPH, (3) post the staffing plan, or (4) comply with at least 80% of the nurse staffing assignments in its nurse staffing plan.

As under current law, the DPH order must (1) require the hospital to submit and implement a corrective action plan unless DPH disapproves the plan within 20 business days after the hospital submits it and (2) impose civil penalties. The bill increases, from \$3,500 to \$5,500, the civil penalty for the first violation and, from \$5,000 to \$7,500, the penalty for subsequent violations.

Under the bill, the following actions are considered separate violations:

1. each day a hospital fails to establish or maintain a hospital staffing committee;
2. each day a hospital fails to submit to DPH its annual nurse staffing report and biannual nurse staffing compliance reports;
3. each day a hospital fails to post the nurse staffing plan;
4. each day a hospital fails to comply with at least 80% of the nurse staffing assignments in its nurse staffing plan; and
5. each violation of existing law's mandatory limits on nurse overtime in hospitals.

The bill also requires the commissioner to post any orders she issues on the DPH website.

As under current law, a hospital has five business days after receiving the order to request a hearing to contest it.

EFFECTIVE DATE: October 1, 2026

§ 44 — CERTIFIED NURSING ASSISTANT TRAINING PROGRAM GRANT

Requires DPH, within available appropriations, to administer a grant program for CNA training programs

The bill requires the Department of Public Health (DPH), starting in FY 27 and within available appropriations, to annually administer a statewide certified nursing assistant (CNA) training program to give grants to organizations that educate and train prospective CNAs in the state. Under the bill, an organization may submit grant applications in a form and way set by the DPH commissioner.

The bill requires DPH, starting by December 31, 2028, to prepare a report every two years on the program's implementation and at least include an evaluation of the program's success. (The bill does not

specify what DPH must do with the report after preparing it.)

§§ 45 & 46 — DOL INFORMATIONAL WEBPAGE

Requires the DOL commissioner, by January 1, 2027, to improve and update the veteran employment information DOL provides on its website; requires the DVA commissioner, starting January 1, 2027, to send a biweekly email newsletter with relevant resources and materials included on the DOL informational webpage to interested recipients and post a link to the webpage

The bill requires the DOL commissioner, by January 1, 2027, to improve and update the veteran employment information DOL posts on the Internet. First, the bill requires her to annually update the department's informational webpage serving as a central repository of information, resources, and materials with any findings from the study on technology use for military employment the bill requires (see below). The webpage must include links to external sources on:

1. job training,
2. career counseling,
3. workforce development organizations,
4. employers who are veteran- and military-friendly or who set and commit to meeting veteran hiring targets and current and former armed forces members, and
5. other relevant topics for those transitioning from the military to a professional civilian occupation.

Additionally, she must (1) post in a conspicuous location on the informational webpage details of relevant Military Department employment assistance programming (see § 46) and the Department of Veterans Affairs (DVA) job fair (see § 48) and (2) try to optimize the webpage's visibility in Internet search engine results.

The bill also requires the DOL commissioner, starting January 1, 2027, to annually solicit known and reputable providers of information,

resources, and materials described above. She must do this in consultation with the DVA commissioner and adjutant general.

DVA Newsletter and Website

The bill requires the DVA commissioner, starting January 1, 2027, to (1) send a biweekly email newsletter with relevant resources and materials included on the DOL informational webpage to interested recipients and (2) post a link to the webpage in a conspicuous location on the DVA's website.

Under the bill, the DOL commissioner must (1) have a form on the informational webpage that an interested person can submit to request the biweekly email newsletter and (2) send the DVA commissioner the email addresses of those who submitted the form during the preceding month.

Training Site Signage

Beginning January 1, 2027, the bill requires the adjutant general to post, in conspicuous locations throughout each inactive duty training weekend site, signs with a quick response (QR) code that current reserve members or the National Guard can use to access the informational webpage.

EFFECTIVE DATE: October 1, 2026

§ 45 — DOL STUDY ON TECHNOLOGY USE FOR MILITARY EMPLOYMENT

Requires the DOL commissioner to study models from other regional states that use technology, including AI, to connect current and former armed forces members with prospective employers based on the members' military occupational specialties and educational and professional backgrounds

By January 1, 2028, the bill requires the DOL commissioner to study models from other regional states that use technology, including artificial intelligence (AI), to connect current and former armed forces members with prospective employers based on the members' military occupational specialties and educational and professional backgrounds. The commissioner must use the study's findings to update the informational webpage.

Under the bill, the commissioner must submit a report on her findings and recommendations to the Veterans' and Military Affairs Committee by February 1, 2028.

EFFECTIVE DATE: October 1, 2026

§ 46 — MILITARY DEPARTMENT EMPLOYMENT ASSISTANCE PROGRAM

Requires the adjutant general, within existing resources, to promote and periodically improve the Military Department's employment assistance program

The bill requires the adjutant general, in consultation with the DOL commissioner and within existing resources, to promote and periodically improve the Military Department's employment assistance program. The adjutant general and the DOL commissioner must tailor the promotion and improvements to better supplement the federal transition assistance program administered by the U.S. Department of Defense.

Currently, the program offers advice and information to current and former armed forces members, including any reserve component and the National Guard, who are considering available educational and occupational opportunities.

EFFECTIVE DATE: October 1, 2026

§§ 47 & 48 — “STAND DOWN” EVENT

Requires the DVA commissioner to annually hold a one-day “Stand Down” event throughout the state that offers services, supplies, or assistance to any veteran

The bill requires the DVA commissioner to annually hold a one-day “Stand Down” event throughout the state that offers services, supplies, or assistance to any veteran. (In practice, DVA is already conducting these events.)

Beginning January 1, 2028, the commissioner must include, as part of these events, a job fair to promote employment of current and former armed forces members, including reserve and National Guard members.

The DVA commissioner may coordinate with the DOL commissioner to invite representatives of Connecticut employers to attend the fair and present information about prospective employment opportunities. The DVA commissioner must also publicize the job fair on the department's website and in the biweekly newsletter required above.

EFFECTIVE DATE: October 1, 2026

§ 49 — LEGISLATIVE RECOMMENDATIONS ON MILITARY EMPLOYMENT

Requires the DECD commissioner to develop legislative recommendations for promoting in-state employment of current and former armed forces members

By August 1, 2026, the bill requires the Department of Economic and Community Development (DECD) commissioner, in consultation with the DOL and DVA commissioners and any other official, organization, or entity he deems appropriate, to develop legislative recommendations to promote in-state employment of current and former armed forces members, including reserve and National Guard members. In doing so, the DECD commissioner may examine the effectiveness of various incentives, including tax credits, wage subsidies, and training.

The DECD commissioner must report these recommendations to the Commerce, Labor and Public Employees, and Veterans' and Military Affairs committees by January 15, 2027.

EFFECTIVE DATE: Upon passage

§ 50 — PAYCHECK TRANSPARENCY

Requires certain employers to create a guide for employees on pay codes for overtime and pay differentials

The bill requires employers with at least 50 employees (including the state and municipalities) to create a guide for their employees on the pay codes the employer uses for overtime and pay differentials. The bill requires employers to post the guide on their website in English, Spanish, and the most common other languages spoken by their employees. The guide must (1) explain the codes used for overtime and any pay differentials (for example, shift differentials, on-call pay, hazard pay, call-back pay, holiday or weekend pay, or geographic pay

differentials) and (2) include contact information for the designated office or person who will handle employee disputes about calculations of hours and pay differentials.

Under the bill, employers must update the guide each time a new pay code is added for overtime or a pay differential. They must also (1) include a link to the guide on each record of hours given to an employee and (2) give new employees a link to the guide upon hire.

EFFECTIVE DATE: October 1, 2026

§ 51 — DISCLOSURE OF WAGE RANGES AND BENEFITS IN PUBLIC AND INTERNAL JOB ADVERTISEMENTS.

Requires an employer to include a position's wage or wage range, and a general description of the position's benefits, in public and internal job advertisements

This bill expands the wage disclosure law to require an employer to include a position's wage or wage range, and a general description of the position's benefits, in its public and internal job advertisements. The bill specifies that it does not require an advertisement if the employer uses an alternative hiring or recruiting method.

The bill defines benefits as (1) health insurance; (2) retirement; (3) fringe; (4) paid leave; and (5) any other compensation, other than wages, offered with a position. Under the bill, an employer is required to set a wage range for a position in good faith, instead of setting the range the employer anticipates relying on. In setting the range, current law allows the employer to refer to a number of items. The bill alters one of the items by allowing an employer to refer to an actual wage range for employees in equivalent positions, rather than "comparable" positions as under current law.

The bill also:

1. requires employers to give job applicants and employees this benefit information when they are currently required to give them wage information (with one change on the timing of providing information, see below);
2. prohibits employers from retaliating or discriminating against a job applicant or employee for exercising their rights under the wage disclosure law, including by refusing to hire or interview an applicant or refusing to promote or terminating an employee (the law already prohibits adverse job actions against an employee who inquires about the wages of other employees or discloses or discusses their own or other employees' wages);
3. requires a court to award statutory damages between \$500 and \$5,000, if they are greater than the compensatory damages the court would otherwise award, for violations of the wage disclosure law;
4. eliminates a provision in the current wage disclosure law stating that the law cannot be construed to require an employer or employee to disclose the wages paid to an employee;
5. specifies that the wage disclosure law applies to positions with duties in the state or when the duties are performed out-of-state but the employee reports to a supervisor, office, or work site in the state; and
6. makes conforming changes.

The state's current wage disclosure law generally (1) requires employers, including the state and municipalities, to give job applicants and employees the wage range for their positions upon request and (2) prohibits employers from taking certain steps to limit their employees' ability to share information about their wages.

EFFECTIVE DATE: October 1, 2026

Disclosure to Applicants and Employees

Currently, an employer must provide wage information (a) when an applicant requests it or (b) before making an offer to an applicant, whichever comes first. The bill requires disclosure of benefits as well, and changes when an applicant must receive information to the earlier of (a) when the applicant requests it or (b) before there is a discussion or an offer of compensation, if the information has not already been disclosed in the position's public or internal job ad.

Similarly, current law requires employers to provide wage information (1) upon hiring an employee, (2) when an employee changes positions, and (3) when an employee first requests it. The bill requires employers to also give a description of benefits when providing wage information under this provision.

HB 5387, favorably reported by the Labor and Public Employees Committee, has a similar provision on wage range and benefits disclosure on public and internal job advertisements.

§§ 52 & 53 — GRANT PROGRAM FOR JUNIOR FIREFIGHTER PROGRAMS

Creates a grant program for junior firefighter programs run by volunteer fire departments and appropriates \$50,000 for the program in FY 27

The bill requires the state fire administrator to create and administer a program to give grants-in-aid to junior firefighter programs run by volunteer fire departments. It requires the administrator to conspicuously post a description of the program, including its eligibility criteria and application process, on DESPP's Division of Fire Services website. Under the bill, a junior firefighter program must apply for the grants in a form and way set by the state fire administrator.

For FY 27, the bill appropriates \$50,000 from the General Fund to the Division of Fire Services for the grant program.

EFFECTIVE DATE: Upon passage, except that the appropriation takes effect July 1, 2026.
