### ***Explanation***

The bill allows the Office of the Attorney General (OAG) to issue a civil penalty of up to \$25,000 per day for certain covered platform violations resulting in a potential revenue gain to the General Fund to the extent violations occur.

The bill also allows individuals to bring an action in Superior Court over alleged unlawful dissemination of synthetically created intimate images and does not result in a fiscal impact to the state or municipalities. The court system disposes of over 250,000 cases annually and the number of cases is not anticipated to be great enough to need additional resources.

House "A" strikes the underlying bill and its associated fiscal impact resulting in the impact described above.
