AN ACT ESTABLISHING AN ACCOUNT TO PROVIDE DURABLE
MEDICAL EQUIPMENT TO HEALTH CARE FACILITIES.

As Amended by House "A" (LCO 4932)

House Calendar No.: 429

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

The bill establishes a separate, nonlapsing grant account to support health care facility purchases of patient lifts, resulting in no fiscal impact to the state. The Department of Public Health has sufficient resources to administer the account.

House "A" limits the grant account established by the bill to purchases of patient lifts and expands eligible grantees to include physician practices, radiological facilities, and imaging centers. These changes have no fiscal impact.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
